December 18 th	Club Christmas Function
January 26 th 2020	Australia Day Breakfast Celebrations – Canterbury Park

David Kaye returns for a visit – apparently he now follows the correct team.

The Soundshell decorated by our members looked amazing for Canterbury Carols.

A great summer feast provided by our caterers, thank you Goldfields Catering.

Requests to all Members

- Apologies to John via text or email only prior to 10am on the Wednesday of the meeting
- Reading the bulletin is strongly recommended

President John's Report

It was wonderful to welcome Terry Jarvis as guest speaker together with some samples of his work. Terry is an internationally renowned water colourist and a generous supporter of our trivia night and numerous other organisations in and around Bendigo. He regularly works with around thirty-five schools as well as teaching and demonstrating. It was observed that our painting for the 1993 Conference was done by Terry and still proudly adorns our walls. It was also great to welcome David Kaye to the meeting as David was instrumental in arranging for Terry to speak.

Thank you to Walter Lourie who has agreed to transport our Penfolds Grange to Sydney. The winner will meet Walter and collect the Grange on Saturday week. He is understandably delighted.

Next week is the final week for our Christmas stocking raffle and members are asked to return books before Sat 21st together with money so that we can prepare for the draw.

This Saturday we have a barbecue at IGA Eaglehawk in association with the Christmas Stocking raffle. The barbecue will be from about 10:30 until 1:00, depending on patronage. Some extra support would be welcome if you are available.

At our Board meeting last week we received a request for support from Eaglehawk Scouts for a family with some pressing needs. We agreed to make a donation to cover outstanding arrears and to allow two of the children to attend special events.

We have also received a request to help support the breakfast program at Eaglehawk Primary School. Support between 8:15 and 8:45 is requested and can be on a weekly, fortnightly or monthly basis and is not required until the start of the 2020 school year. Please give it some consideration.

Our next meeting is our Christmas function at the Mechanics. It is a three-course carvery for thirty dollars per person with half price for children (school age). Partners, families and former members are most welcome. It is 6:00 for 6:30. It would be appreciated if you could advise any family members, partners, etc who will be attending by Monday lunch time to help us arrange the setting up. (Gary and Lola will be setting up at about 2:30 on Wednesday afternoon and I know that extra support will be appreciated.)

John P Jones,
President 2019/2010

Member Announcements –

Alison Bacon

Addressed the issue of the Defibrillator in the hall - whilst it is currently sending out an annoying beep, it is still working and the beep will be fixed as soon as the new battery arrives (on order and to arrive shortly).

Leon McGlashan

Reported on the progress of the Christmas Stocking Raffle Sales and sought volunteers for a couple of spots still vacant on the roster. Also advised of the forthcoming BBQ and the assistance that would be needed for this time slot.

Doug Poole

Requested donations of furniture for a couple of Afghan Refugees that have been staying with him but are shortly to move into their own accommodation. Types of furniture needed are Bed Bases, Table and Chairs, Saucepans, cooking utensils and other general household items that will assist in the transition to independent living. Please contact Doug if you can be of any assistance in providing items to help.

Gary Frank

The Club Christmas night will be held in the hall at the Mechanics on Wednesday 18th December. Catering will be a Carvery Meal supplied by our caterers and the cost will be \$30/head and \$15/head for children (school age). Donations of food from members are not required and all drinks are available from the bar at bar prices.

2020 DISTRICT 9800 CONFERENCE MESSAGE FROM DG GRANT & MELISSA

Rotary
District 9800

Hi Rotarians

Our District 9800 Conference is fast approaching and what a great experience we have planned for Rotarians from all walks of life.

Situated in beautiful Bendigo, the geographical centre of our great State of Victoria, you'll experience the city's renowned cultural and architectural heritage born from the lucrative goldfields of the 1800s that's become a destination of choice for thousands of visitors and "tree changers" in recent years.

This rapidly growing and prosperous regional city is home to six of our clubs: Bendigo, Bendigo South, Bendigo Sandhurst, Bendigo Strathdale, Eaglehawk and Kangaroo Flat. Each of these clubs are excited to welcome you and host you across our three-day conference from 27-29 March 2020.

Living in and working from Woodend, we appreciate the connection and contribution central Victoria makes to our regional and metropolitan communities. Our District 9800 communities embody the vision of Rotary and we're fortunate to uniquely connect to each of our 65 clubs, their members and activities. Afterall, that's Rotary to a tee – connected and collaborative – key themes of our District 9800 Conference in Bendigo next March.

Our conference is not just another Rotary Conference. We have planned an experience with a difference. One that connects us through conversation and collaboration. Most of all, a conference where we can celebrate the accomplishments across District 9800.

The internationally renowned Ulumbarra Theatre will be our home to the conference, and the historic and ornate Bendigo Town Hall will host our welcome registration event along with a Welcome to Country and Smoking Ceremony by our nation's First Peoples the Dja Dja Wurrung Clan.

We have 65 clubs in our district ... from Brighton to Bendigo. That's a lot of Rotarians! Melissa and I encourage you all to come together and represent your club in Bendigo next year.

We are delighted to share with you a snippet of speakers we've engaged who will not only inspire you but will demonstrate how "Rotary Connects the World".

To ensure our conference is a success, please register soon by booking online <https://www.trybooking.com/book/event?eid=520299>. Don't forget early bird discounted registrations end 30 November. Keep up to date <https://rotarydistrict9800.org.au/sitepage/conference2020>.

See you in Bendigo!

D9800 Conference 2020 – Here in Bendigo March 27th – 29th. Our outstanding guest speakers lineup will entertain, enthrall and enlighten you. Don't miss out on this once in a lifetime opportunity to listen to such an amazing pool of talent, all gathered here in Bendigo participating in our very own district conference. This is the link you need to go to and register – don't miss out – this is your chance to attend the greatest D9800 conference ever!

Did you hear about the December ticket price – just \$325 to register for the conference – includes the welcome event and the conference dinner – that's amazing value. But, register prior to the end of the year, full ticket price of \$350 kicks in on January 1st 2020.

Fit for the future - thriving, not just surviving in our changing world

Is your Rotary Club fit for the future? Are you?

The effects of digital technology, known as 'digital disruption' and the changing workplace affect us all. That's bad news if you're not willing to change, but exciting news if you're keen to embrace new opportunities.

Take an inspiring, eye-opening and engaging ride into the future to learn about the global trends shaping community organisations like Rotary.

Gihan Perera is a futurist who will give you a glimpse into what's ahead – and how you can become fit for the future, in your professional and personal life.

Gihan works with business leaders, thought leaders, entrepreneurs, and other change agents – helping them with their strategy to thrive in a fast-changing world.

This presentation is a must to help reset your mindset and lead change to ensure your members have the skills needed to grow your club into the future.
