President John's Report –

A club meeting was an opportunity to catch up on recent developments and plan for the future. Mick Costello updated us on a community service project to support a family in Eaglehawk. It will involve plastering the bedrooms so that the children can move into them. Currently they all sleep in the lounge room. The plasterboard has been donated and our task is to help with painting. Geoff Gallagher will keep us up to date as Mick traverses the Simpson Desert (via Cobar).

A special thankyou to Gary and Lola Frank for hosting us for a bonfire last Saturday and to all members and partners who assisted with the catering. Gary has planned a varied and comprehensive program and I am sure he will enjoy the support of members and partners. Our next event is a 'walkthrough' in Eaglehawk on August 24.

Our first sheep show car parking venture went very smoothly and we grossed in excess of \$1300, 20 % of which will be donated to the school.

We have the official opening of the Bendigo Stroke Support Centre on Friday at 12:00. Any members able to support setting up from 9:30 would be most welcome.

The cluster meeting in Rochester on Sunday covered a broad range of issues including:

- Support for the Rotary Club of Rochester
- The potential for a Foundation Dinner to be held in Echuca/Moama
- A Centenary project for the cluster clubs with one possibility being the proposed Karen Community Centre

A range of issues were explored in the Board meeting that followed our meeting and I missed my 9:30 'deadline' by a considerable margin. Topics covered included a decision to adopt Club Runner, coordinated by PP Alison and involving at least two other members. Secretary Robert shared some facts and figures around the swap meet. While all participating groups receive an equal share the staffing of FJ's involves much more than the required 120 hours. Gary Frank shared a fellowship program for the rest of this year and Seamus elaborated on his membership portfolio. All these and other issues will be elaborated on next week and through Board minutes when they are distributed in the near future

Member Announcements –

David Kaye

Planning for the Trivia Night continues and members are reminded to follow up on donations possibilities as soon as possible please. Members are also reminded that some slices have been promised for the tea and coffee catering.

Gary Frank

Thanked the members who attended the Bonfire – a great night of fellowship and fun.

'Walk Eaglehawk' will be held on Saturday 24th August. The goal of this will be to have a presence in the main street, to show the traders who we are and to support the local business community. We can have a coffee, buy a pair of runners, order flowers, buy the milk and bread to take home..... all of these things are everyday happenings, on this day we can do it within the Eaglehawk business district and use the opportunity to increase the profile of our club..... Let's be more than just an organisation who seeks donations from the traders, let's support them too!

Mick Costello

Thanked the members who had so far supported his Dry July efforts and extended an invitation to join him this Friday at 5pm at 'bookclub' when July officially finished for him (yes he did commence July on the 26th June – so we will have to allow this....!). Mick announced that he has surpassed his goal of \$1,000 and was up to over \$1,300 so far with a few more 'promises' yet to be received.

The Community Service Project of assistance to the Eaglehawk family in need has seen many offering to help and contribute. Skinners has donated the plaster for the re-plastering of the bedrooms (being undertaken by Mick's son and his mates), Fitzpatrick's have donated the timber needed for the re-framing of the rooms. It is suggested that Rotarians may need to dig in and help out with the painting and have agreed to provide morning tea to the workers.

Doug Harrison

Reminded all members of our requirement to submit our 'Child Protection Forms' to district – as per the reminder given to us last week by DG Grant. A few members yet to submit these to Doug, please do so as soon as possible as this is a requirement of the club and district.

Treasurer Ron

A reminder from Ron that all requests for reimbursement from club funds must be accompanied by the Expense Claim Reimbursement Form, please understand that this is to ensure the correct recording of our expenses and to minimise errors arising relative to our GST obligations. A copy of the form is included with the bulletin, perhaps it would be handy if you could print this out for your convenience for future use.
