President Geoff's report – 27/07/22

This week we had a good attendance with only 4 apologies and guests in Sue Watts and guest speaker **Russel Bouvaird**. Russel is Eric Smith's son-in-law and works at the La Trobe University as head of their Cyber Security.

A very interesting speaker, he said the best protection is to encase our computers in concrete, however this renders the computer useless!!! He explained in layman's terms how vulnerable we all are on-line and how there are many ways in which we can protect ourselves. We all agreed to invite Russel back again so we can have more time on this fascinating subject.

I told the meeting that we had been invited to cook a BBQ at the Eaglehawk skate park on Sat 3rd Sept for the Blue light foundation which is a not-for-profit youth organization who provide a variety of activities and events for young people to engage with other youth, the community and Police. It's going to be a great local community event with other organisations also showcasing their own things. It will be family friendly and obviously alcohol free. It is supported by City of Greater Bendigo and local Eaglehawk businesses including our major sponsor EUFS and Skips Skate shop. We agreed to help out with this worthwhile project due to our past association with the skatepark and of course the late Howard Osborne's involvement.

I also mentioned Run for Dad which raises funds for prostate cancer research, which is to be run on Sunday 4th September, (Father's Day). It is anticipated that this could become a combined Rotary project. Mary Preston gave us more details and I will bring it up at an upcoming informal cluster get-together.

Empowering Eaglehawk is hosting their 16th Annual Celebration on August 17th from 6pm at the Eaglehawk Football Netball Club Rooms. This event is an invitation to all Eaglehawk Businesses, citizens, groups, organisations and is a part of connecting our wider community together. This evening will coincide with the achievements of Empowering Eaglehawk and community awards which highlight the importance of our community involvement. It was decided to support this function and as it coincides with our meeting night, we will make this a club night in lieu of our usual meeting. We will need to let Empowering Eaglehawk know by August 3rd numbers attending for catering purposes.

Mick told us anticipated numbers for catering for the "Camp Quality" get-together which is to be held on Friday night 5th August Saturday and Sunday breakfast on the 6th and 7th August. We will require numbers next week.

The social night which is planned for Saturday 13th August at the Redesdale hotel is well under way. Due to the numbers who are attending the night and not camping it was decided to inquire about hiring a bus for transport.

Lyn gave a report on The National Youth Science Forum and how applications are closing shortly on this terrific project.

Eric reported on the upcoming community breakfast which is to be held on Friday the 5th August at 7.30am at the Camp hotel. He informed us that the proprietors had kindly offered to cover the cost of the breakfast. Eric also informed us of an opportunity to showcase ourselves at Bunnings carpark between mid-September and October. Please see below.

Alison reported on a recent swap meet meeting and how we may be assisted in gaining our expected shifts, please stay tuned.

All in all, it was a very busy meeting.

Until next week stay safe.

Geoff Gallagher

Club Meeting Happenings

- PP Alison provided an update on arrangements for the swap meet. We will be required to fill 50 four-hour shifts and so a big commitment for the club. We will have the support of Imagination Library who could fill up to twenty shifts.
- Prior to the dinner meeting we met with members of RC Bendigo South to further organisation of the Christmas Trailer raffle. Tickets will go on sale on Sept 19 with the majority of sales being managed by community groups. There will, however, still be quite a commitment from members for Friday evening and Sunday sales as well as moving the trailer.
- The Rotary Club of Rochester is collecting goods to take to the flood affected areas of Northern NSW. Personal care items, cleaning materials, electrical goods etc are being sought. We have a box in the meeting room where members can leave goods and DGE Ron will get them to Rochester so that they can be transported north. (*see article*)
- Unfortunately, Georgie Redmond was an apology for this week and has been rebooked for next week – Georgie is manager of Heart Matters.
- Celebrating Eaglehawk, the 16th hosted by Empowering Eaglehawk, on Aug 17 at the Football/ Netball clubrooms. This is a meeting night but we have resolved to support that event in lieu of a club dinner meeting. **RSVP is Aug 3** so please advise Mary Preston if you plan to attend so that we can make a group booking.
- We will be catering for Camp Quality at the Big Four Caravan Park in Junortoun on Aug 5/6/7. Friday evening is a barbecue for children and families from 4:00 – 7:00 pm. We will also do breakfast on Saturday and Sunday mornings. A roster will be circulated at our meeting next week. A great community service project.
- Community Breakfast on Friday 5 at the Camp Hotel, generously sponsored by our hosts at the Camp Hotel. See information in this bulletin.
- Saturday Aug 13 – social function at the Redesdale Hotel – an iconic country pub. Camping/ caravan facilities available for those who would prefer not to drive home and cluster clubs are being invited.
- On Saturday Sept 3 we have been asked to support a Blue Light Disco and Skate event at the McKern Skate Park. Everything provided and we cook and so the club has resolved to support it. (Carlton and Collingwood supporters may be excused due to a prior commitment at the MCG.)
- Sun 7 Sept. – Run for Dads to support Men’s Health with an event at the Bendigo Racecourse. Volunteers are being sought for a range of tasks with more details to follow.
