July 20 th	Eaglehawk Bonfire in Epsom
July 27 th	BBQ to raise funds for Ovarian Cancer
August 16 th	Trivia Night

President's Report –

Thank you to all members, partners and visitors who were able to attend our Changeover Dinner at the Sky Lounge at Bendigo Stadium. It was a great venue, wonderful cooperation from the staff and convenient to most of our members. Luke Harrington, on acoustic guitar and vocals added another dimension to the evening. The attendance of DG Grant Hocking was most welcome and reinforces the esteem with which our club is held within the District and beyond.

A particular highlight was being able to present Immediate Past President, Alison Bacon, with a Paul Harris Fellowship. In her relatively short time in the club Alison has been Secretary on two occasions and, for the past two years, has been Club President. While doing that she has been chair of the Mechanics Committee, program coordinator, Bulletin editor and a myriad of other roles. It was also great to be able to have her family at the dinner to share the celebration. (She is also Conference Secretary for the 2020 District Conference to be held in Bendigo in March next year)

Our DG visit is on Wednesday week and I would like Board members to try and make themselves available at 5:00 to meet with Grant. Grant will address our meeting during the dinner and partners are most welcome. Please note that our Board meeting will be the following week with a focus on planning the year ahead.

It is definitely changeover season and so far, in addition to our own, I have attended Castlemaine, Kangaroo Flat, Bendigo South and Sandhurst with Bendigo Strathdale and Rochester to come. It is wonderful to share the achievements of individual clubs and to learn of their aspirations for the future. Members will be aware that a mini tornado went through Axe Cree recently and Community Service Director, Leon, has made some inquiries as to how we might assist. I have made some inquiries and the family is quite well placed at this stage but there may be an opportunity for some support, more hands on than financial, in the future.

We have an opportunity to manage car parking for the Sheep and Wool Show later this month (July 20) through the generosity of Lightning Reef Primary,. I will be seeking the support of three to four members for two hour shifts between 8:00 am and 12:00 pm and will address this at the meeting this week. Twenty per cent to the school and eighty per cent to Rotary.

Stroke Association Victoria will have their official opening at the Mechanics on July 26 from 12:00 pm. It is a very significant development in our relationship with SAV and DG Grant will be in attendance. We will require some support for RSA qualified members on the day so mark it in your diaries

On Sunday this week IPP Alison and I made an early start to farewell Luisa as she leaves Victoria. She is actually going to Brisbane before embarking on a long and circuitous road trip with her father and mother - Brisbane – Sydney – Cairns – Sydney - Home. (She plans to come back to Australia in June next year).

She has been a wonderful Student Exchange ambassador and we will miss her.

Bonfire Night

Saturday 20th July

78 Racecourse Road, Epsom

5:30pm Start, 6:30pm Bonfire Lighting

BBQ tea

BYO salad, deck chair and a happy face!
