President's report:

First President's Report

As you all know, we held our Change Over Dinner last Friday, which I think, went very well.

We had attendance of 63 that included the family members and friends from the Payne, Costello and Smith families.

I believe that everyone enjoyed themselves and with the leadership of MC. John Gurr we finished fairly much as planned.

It was pleasing to witness Paul Harris Awards being presented to, to Ron Payne (4 Sapphires), and the surprise ones to Alison Bacon (Sapphire), Mandy Costello and Debbie Payne. Most deserving recipients that were all a little speechless.

We were also pleased to be able to present the Sutcliffe Family, Eagle Award to Lynne Cooper (you could also say very near speechless).

Congratulations again to all the awardees, a job well done.

Well, the new term of office has commenced, the old Board thanked for their service, and the new Board welcomed. With a couple of new faces, being Tim Watts and Lindsay Walkington, along with a reshuffle of the others, we are able to fill all the positions.

As a new board we are looking forward to a rewarding, relaxed year with plenty to do and achieve. I also have no doubt that as members of the Rotary Club of Eaglehawk, together we will be able to make 'change in our community' whilst being part of the international theme for 2023-24.

Create Hope in the World

Regards- Eric

Meeting apologies: Trevor Lock, John Pearce, Jennifer Sanderson, Mary Preston and Gary Frank.

Meeting guests: Mandy Costello, Debbie Payne, Marg Walkington and Chris Smith.

Our meeting guest speakers:

Thanks to Lyndsay and Marg for sharing their European adventures with us.

They certainly packed a lot in on both land and water. They saw lots of amazing scenery, cathedrals, and sites steeped in history. The local treats made us all jealous!

Thanks for your time preparing 300+ photos for us to enjoy too.

Youth Report:

We had 4 year 11 students attend from 3 colleges along with their parents and some teachers attend our *NYSF Information Session*. It was a very informative session, and it seems like they are all keen to apply for NYSF. Following the school holidays some of us will return to the colleges to meet any students who were unable to attend the Info Session. Five of our six 2022/23 students came along to talk to the new students which was a great help. It is always terrific to see how confident and enthusiastic they are about their Year 12 studies and future careers. Many thanks to Alissa Van Soest for enabling us to use the facilities at The Discovery Centre to hold this annual session. Alissa was a past NYSF student. Closing date for NYSF applications is July 31. Any year 11 STEM student is welcome to contact the Youth Directors for more assistance with their applications. Many thanks to Stewart Annan for running the meeting.

We are hoping to arrange a Zoom Information Session for the Rochester Year 11s next term, with past NYSF participant Emily Major. Emily is currently on a Rotary Research Scholarship having graduated last year.

Update:

Our own NYSF BSSC student Saad Sabri is featured

Saad is on the far left of this photo.

Please let Lynne know if you are interested in hosting a student as part of the home stay programme.
