## President's Report

This week we hosted a conversation with Ken and Jacinda Cain from Wattagoona Station, Cobar. It is now twelve months since a team of us went to Cobar, caught up with the Rotary Club of Cobar and then went to Rose Isle Station to support the Royal Flying Doctor Service. It was a memorable weekend and we made some wonderful connections. A special thanks to PP Leon Scott for organising the meeting and facilitating the conversation. My personal reflection after the conversation was that I gained a wonderful sense of optimism from Ken and Jacinda which I assume is also spread across their broader community. The recent rain, the Darling is flowing and the regeneration is quite widespread. Restocking, however, is a long term project. The rain has also provided a lifeline to the local mines which are critical to the economic viability of the community.

I believe the conversation was recorded and so will be available on our Zoom link. Gary McClure was able to join us for the first part of the meeting and I understand the recording will be shared with the Rotary Club of Castlemaine in the future. (As an aside Castlemaine is now part of our cluster and we look forward to building on our developing relationship with that Club).

On Tuesday we met with representatives of the Rotary Club of Bendigo South to progress the arrangements for the Christmas Trailer Raffle which we have taken over from Bendigo Strathdale. We have a joint committee, are establishing a joint bank account and assigned roles and responsibilities for the raffle. This year Bendigo South will be the lead club but that role will be alternated year by year.

As an aside Tony Plant has suggested we explore a joint venture to support a bushfire relief project in East Gippsland and is in contact with Bairnsdale Sunrise Rotary. This could be along the same lines as our Cobar project. This project is in its very early stages and exploratory at this stage.

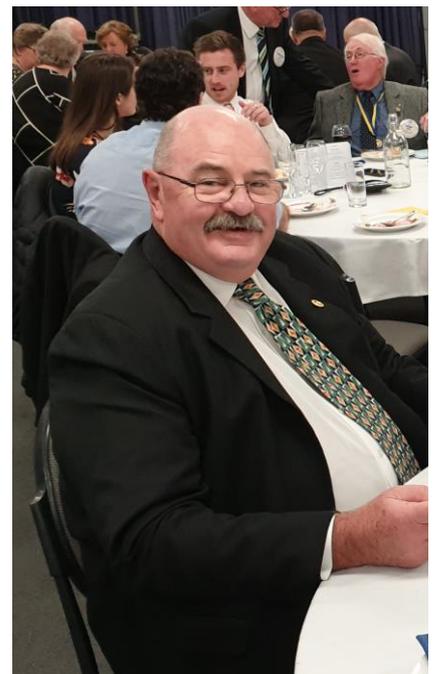

I also received a letter this week from Les Dingfelder tendering his resignation. As members are aware Les is experiencing significant health challenges at the moment and this is limiting his capacity to be involved in club activities. Both Les and Liz are Paul Harris Fellows – an honour that was bestowed to acknowledge their enormous contribution to the ROSE program as a host family and they continue to support students who have been part of that program – we will be forever indebted for that support which personified the true spirit of Rotary. I do know that the Dingfelder family will continue to be involved when and where they can.

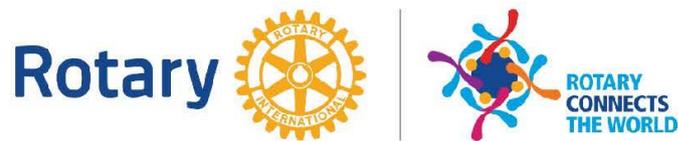

PP Doug Harrison has arrangements for our annual reports in hand and thank you to Directors for their contributions. The report will be on line via our website but some hard copies will be available who prefer that option.

Arrangements for our Changeover are still rather fluid at the moment given the day to day limitations imposed by the Covid 19 crisis. At this stage we anticipate that we will have a Zoom Changeover on June 24 as previously advised but that will then be followed by a celebratory function in July when the issues around social gatherings are (hopefully) much clearer.

Thank you to all who were able to join our meeting and looking forward to catching up again next week.

President 2019/20
