Attachments this week: none

LOST PROPERTY: Micks Rotary/ BBQ apron as gone missing – it was loaned out at the Anzac Day Brekky (he was sick and did not go) and has not been seen since! He's refusing to cook any more BBQs if not returned!

President's Report:

It has been great to see the sun over the last week or so, however the cold breeze during the day and quite cool nights have been a little hard to bear. But then again it is Winter. I guess we should expect what we are getting.

Thankyou to Geoff for holding the fort last week, I am sure that he undertook the duties with much aplumb.

I am looking forward to the Maubisse Friendship Committee Film Night at the Star Cinema tonight (Thursday) and from all reports, ticket sales have been good.

The next few weeks are going to be a little busy, starting this weekend with the catering for the District Governor's lunch @ Camp Getaway and the Mopar/Chrysler Show BBQ around the Bendigo Town Hall area on Sunday. It maybe a little chilly, however the BBQ will be a place to warm yourself!

With only 3 weeks to go to the change -over (both our own and District 9800 event) there is a lot to look forward to with those changes. Also lots of learnings with the Regionalisation Project too.

I did receive an email from Gary Frank during the week. He is in Glasgow for some concert or other. (I believe he is keeping the Status Quo in his absence). He returns to work next week.

From my memory the Walkington's are also off on their trip, which I'm sure they will enjoy.

For those travelling take care, and we will see you all when you return.

Regards- Eric

Youth Report:

John and I went to BSSC this week to speak to a group of 16 Year 11 students, who are keen to apply for NYSF.

We continue to be impressed with the dedication of the teachers there. They are so keen to work with the students and Rotary to achieve positive outcomes. Abbie, Nissa and Taleah were also there to inspire the students. It is great to see them developing their leadership skills.

You can read about these three students in the link from BSSC about their 'staffie' NYSF achievement. Please click on the link below:

Rotarians at work! Still smiling – even if they are cooking a BBQ whilst it is only 10 degrees!

Rotarians taking a break!

Thanks Lynne, for her pics on her recent holiday to Norfolk Island (which she will happily share travel details if anyone is interested). Looks great.

We flew Qantas. It's a terrific holiday destination - so easy and very interesting. Regards- Lynne
