QR Code Check – In

QR Code Check-in is now at the Mechanics Facility. As everyone attending the facility is required to record their attendance the QR Code system is a very quick and easy way to do this. We will still be providing the manual pen and paper option for those who wish to use it – but please consider using the QR code check in. Simply download the Service Victoria App – it's a simple App to use. If you need assistance ask Alison to give you a hand this week and she will be able to step you through what you need to do.

One of the advantages of this app is that once you have it and realise how simple it is to use then you will find it a much quicker and simpler way to check in to many of the venues you attend. Additional information is contained later in this bulletin.

President Mick's Report

Mick's Quote of the Week

International Women's Week

"A girl should be two things:

Who and what she wants."

– Coco Chanel

We had a small but enthusiastic group for our Meeting this week as a lot of our members have taken the opportunity to take a break in various parts of this incredible country.

What you all missed was our guest speaker for the night - Eric Smith gave his thoughts on recently being awarded the Eaglehawk Citizen of the Year Award. Eric covered his long history of working with the CFA and also touched on the subject of Australia Day and what it really means and his thoughts on how it has divided the Nation.

Thank you Eric for giving us all something to think about, well done.

Next Week's meeting we are going to acknowledge International Women's Week by broadcasting a Forum with a panel of Noted Speakers

Jacinda Ardern Prime Minister of New Zealand

Sally Capp Lord Mayor, City of Melbourne

Jennifer Jones Rotary International's President 2022-23

Dr Megan Clark Head, Australian Space Agency

Colin Carter Business Leader.

Please see if we can fill the main hall next week and make it a real celebration the role of Women in all our live. So invite your Partners and anyone else you feel would be interested in this unique event.

Please note we are limited to a crowd of 50 in our main hall so let me know as early as possible if you intend to bring guests.

Let's make it a great celebration of the role of women in all our lives.

A refresher for planning for our meetings –

As a club we are fortunate to have the Mechanics facility for our meetings and club events. This also means that we need to plan and consider all those who help us to ensure our nights run smoothly and everyone is able to enjoy the experience. Additionally, we need to ensure we don't incur unnecessary costs. Some time ago the board decided

upon a process to ensure we maintained accurate numbers for catering purposes so here is a reminder for us all as to what we need to do –

1. If you are a member it is presumed that you will be attending the meeting and requiring a meal each week. This means that a meal will be ordered on your behalf and payment for such is required.
2. If you are NOT going to be able to attend the meeting then you will need to advise the President before 5.00pm on the Monday immediately prior to the meeting that you are an apology and will not be requiring a meal.
3. If you are bringing a guest then you need to advise the President as per 2. above.
4. A member is responsible to pay for any meal that has been ordered on your behalf.

It has been so long since we enjoyed the 'normal' meeting experience that we may be out of sorts for a while but if we all work together we can quickly get back into the groove.

Four-Way Test

The Four-Way Test

of the things we think, say or do.

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

Celebrating 100 Years of Rotary

'100 Acts of Kindness' ~ 2020-2021

1. Our club contributed \$5000 to the Rotary Foundation's Annual Program Fund to support educational, humanitarian, and cultural programs and projects throughout the world.
2. PP Alison Bacon undertook the making of cloth masks to support our member's endeavours of complying with Covid-19 restrictions while making a few dollars for the club at the same time.
3. President-elect Gary Frank has been regularly phoning members during the current pandemic just to check that they are going OK.
4. Realising that fundraising will be difficult during lockdown, PP John Jones has organised another Grange raffle in an endeavour to boost the club's finances.
5. PP Ron Payne undertook the 'End Polio Walk' with family and club members sponsoring \$1128 towards the cause.
6. Lola Frank paid for the coffee of the people in the car following her through the McDonald's drive-through.
7. Trevor Lock spent many hours touching up the paint work of the figurines in the Nativity scene which has been put on display at Christmas in Eaglehawk for many decades.
8. President Mick Costello is helping his invalid mate Geoff recover from surgery by taking him for a walk around the lake each morning.
9. PP Alison Bacon donated 60 insulated grocery bags to the Eaglehawk Community House for them to use for their community meal distributions.
10. Deb Payne put together a grocery hamper and donated it to Bendigo Foodshare.
11. Rotarian Trevor Lock brought along his ukulele to provide wonderful entertainment for our club's Christmas function this year.
12. PP John Jones drove to Melbourne to deliver the prize in our recent Grange Raffle. This completed an outstanding fundraising project on his behalf for the club.
13. PP Ron Payne prepared, submitted and was successful in a \$22,000 Australia Day grant for the combined Rotary Clubs of our Super Cluster.
14. PP Doug Harrison and PE Gary Frank did an outstanding job in cleaning up the surrounds of the Mechanics building in preparation for our 2021 Australia Day celebration.
15. Rotarian Geoff Gallagher took on the role of coordinating our Australia Day 'Citizen of the Year' program and, with a team of willing helpers, did an outstanding job.

Have you, or members of your family, done something which we could connect to a Rotary effort of being kind to somebody. If so, send a short description to Ron Payne at ronald_payne1952@outlook.com and we'll include it as part of our club's efforts towards achieving '100 Acts of Kindness' in recognition of 100 Years of Rotary.

Our Club will be featuring this event at our special International Women's Day Meeting on Wednesday 10th March. Please extend invitations to your friends, families and co-workers – this is an evening that you don't want to miss.

PROCEEDS GO TOWARDS:

New Check-In System For Businesses Across Victoria

30/11/20 9.17am

Victorian business owners across the state can now access a free QR Code Service which will help make things easy as we continue our economic recovery.

The Victorian Government's QR Code Service can be used by businesses and venues to keep records of visitors to help us stay safe and stay open.

It's as simple as registering your business, downloading and printing a poster with the Victorian Government QR Code and displaying it prominently in your business. Businesses or venues with multiple outlets or spaces can register for multiple QR codes.

Visitors simply need to scan the QR code using their smartphone camera. For those with up-to-date smartphone software, a pop-up will appear asking for a first name and contact number.

For other users, they will be directed to download the Service Victoria mobile App from the Apple or Google Play app stores to complete the check-in. A unique six letter code entered on a web site will be on each QR code poster, for visitors to check-in also.

In Victoria, some businesses, workplaces and premises must request that each person who attends the premise for more than 15 minutes provide their first name and phone number.

For smaller hospitality venues with a density limit of one person for every two square metres – up to 50 customers – QR code record keeping is now mandatory. All businesses and venues are still required to have pen and paper record keeping on hand as an ultimate backup, if a visitor prefers to not use the QR code method.

All data collected through the Victorian Government QR code is securely stored, protecting customers from on selling of contact details. Data will be deleted after 28 days unless it is specifically requested by the Department of Health and Human Services for contact tracing purposes.

Have you downloaded the app yet?

Some have experienced minor problems – if you need a hand, both Geoff Adcock or Alison may be able to assist.

MASKS – do you need to replenish your mask supply?

Proceeds of all sales are being directed to our Club's Project Funds.
