Requests to all Members

- Apologies to John via text or email only prior to 10am on the Wednesday of the meeting

President John's Report

This week we enjoyed a presentation from Brock Gravener and Alison Phillips who manage the breakfast program at Eaglehawk Primary School. Thank you to those who have volunteered to help out. I am aware that some who have expressed interest were not at our meeting but Brock's contact details are brock.gravener@bendigobaptist.org.au so feel free to contact him direct. Partners and friends are also encouraged to help out when and as they can. You will need to advise availability and your Working With Children information to take part.

March is shaping as another particularly busy month. On Sunday 15th we have a BBQ at Lake Weeroona to provide lunch at the CFA country championships. It is expected to be from about 11:00 am until 2:00 pm. Thank you those who have offered to help.

On March 16/17 we will be supporting the Bendigo Maubisse Friendship Committee with the collection of furniture from White Hills and Specimen Hill Primary Schools. Collection will be from 4:00 pm on both days. If you are able to help let me know so that I can forward further details as to specific locations.

On Friday 20th we are supporting the school fair at St Joseph's Primary School. Graeme Lock has agreed to deliver our BBQ trailer and I will be attending and supported by some parents from the school. This has been arranged through Tamara from the Bendigo Stroke Support Centre and is an opportunity to further progress our relationship with that organisation, our co-tenant. Anyone else available would be welcome.

This leads then to Dahlia & Arts festival where we have our float entry and donuts in the park. I have also just received a request from Mary Preston for support for the Buskers in the Borough event on Saturday 21 between 10:00 and 11:00. We have also been asked to help with the delivery and collection of chairs for the Family Day on Sunday 22. Again, let me know if you can help out

The following weekend we have the District Conference – it a very busy month.

Next week we do not have a regular dinner meeting as we will be supporting Bendigo South at the Star Cinema with a presentation by Stephanie Woollard (Seven Women) and information is attached to this bulletin. Tickets can be purchased from the cinema or at the door. If you plan to attend it would help if you could advise Tony Plant (anthony.plant@bigpond.com) from Bendigo South.

On March 18 we did plan to attend the Changed Forever exhibition at Bendigo RSL and Museum but that is not now possible. Members are encouraged to attend individually if they can. Rather, on March 18 will be a Club meeting and Board meeting with a focus on membership and your attendance is strongly encouraged so that all views can be represented.

John P Jones,
President 2019/2020

Member's Announcements –

Mick Costello

The Rotary Bowls Team have kept their record intact and continue to be wooden spooners of the week! Our club have received a donation of \$100 from the bowls club in recognition of our members (Mick and Alison) running the bar for them on the first day of the finals when all their members were involved in matches throughout the area.

Carolyn Robinson
Explained the CFA catering requirements for the 15th March being sausages and drinks. Members volunteering to help included John, Leon, Mick, Graeme, Alf and Ron.

Leon Scott

Asked for an indication from those members who may be interested in assisting with some garden landscaping for a NFP organisation involved in providing housing for disadvantaged.

Registrations close Friday 13th March – get your tickets at - <https://www.trybooking.com/BDPRN>

Conference Presenter Profiles –

Mark Balla approached the Rotary Club of Box Hill Central in District 9810 around five years ago to introduce them to an issue that he thought they might be interested in. Since then, Mark has delivered a TEDx talk, spoken at ten district conferences in Australia, India and the USA. He has attended three Rotary International Conventions and was a speaker at the WASRAG World Water Summit in Sao Paulo in 2015, again in Toronto in 2018 and at the Rotary Presidential Summit on WASH and Literacy in Schools in Kolkata in 2016. He has also spoken at the RYLA camp in Victoria for the past three years. In 2020-2021 Mark will be the President of the Rotary Club of Box Hill Central.

At the RI Convention in Seoul in 2016 he was elected to the board of WASRAG (Water & Sanitation Rotarian Action Group). He is a Global WASRAG Ambassador and member of the Rotary Foundation Cadre of Technical Experts. The project he brought to his club has been explosively successful. The first project in 2015 reached 500 children in need. Subsequent projects have reached another 30,000 to 40,000 children and all signs are that by the end of 2019 the number will be

approaching 200,000. He and other members of his club have spoken about their projects at over 50 Rotary Clubs in Australia, India, New Zealand and the USA.

Since graduating from university in 1987 with a degree in Linguistics, Mark's career has not followed a particularly obvious path - writer for Lonely Planet Publications, sales and marketing expert for the Commercial Shipbuilding Industry in Australia, New Zealand and South East Asia, CD and DVD manufacturer and Social Entrepreneur. Mark is currently writing a book, the working title of which is "A Journey to the Toilet". This and his position on the board of WASRAG should give you a clue as to what Mark is going to talk about when he visits our club

Tony Walker ASM is Chief Executive Officer of Ambulance Victoria. He is a Registered Paramedic with over three decades experience working in a range of senior clinical, operational and leadership roles within the ambulance sector. Over past five years Tony has led significant transformation at Ambulance Victoria to improve the health and wellbeing of their workforce and the response they provide to the community. Tony holds an adjunct appointment as Associate Professor in the College of Health and Biomedicine at Victoria University and is a Fellow of Paramedics Australasia, a Fellow of the Australian Institute of Managers and Leaders, and a Board Director of the Emergency Services Foundation, the Australasian Council of Ambulance Authorities and the Prostate Cancer Foundation of Australia. Tony is a recipient of the Ambulance Service Medal (ASM) for his contribution to the development of ambulance services at a state and national level and has also been awarded the National Heart Foundation President's Award and the Australian Resuscitation Council Medal for his significant contributions to improving cardiovascular health and resuscitation practice and outcomes.

The Seven Women Story

Stephanie Woollard began Seven Women at age 22 after meeting seven disabled women working in a tin shed in Kathmandu.

These seven women were struggling to make a living in the face of harsh discrimination. With her last \$200, Steph paid for a trainer to teach the women how to produce products for sale locally and abroad - and Seven Women was born.

Since 2006, Steph has built up the Seven Women team and launched an Australian arm for fundraising and a sales channel for our ever growing operation in Nepal.

12 years after her meeting in a tin shed that started it all, over 5,000 women have been educated, trained and employed by Seven Women.

Seven Women is empowering Nepali women, transforming their lives and their communities.
