Cluster activity – Film Night in aid of End Polio Now "The Duke"

Pam Luxford, member of RC Bendigo, is coordinating a film night at Bendigo Cinemas on behalf of the Goldfields cluster to raise funds for End Polio Now.

Our club has agreed to support this event and you are encouraged to join with Rotarians across our area on **Tuesday 29th March 2022**. The cinema suggested screening time is **5:30pm** and this will be confirmed once tickets are arranged. This time also gives those Rotarians and/or clubs attending the opportunity to dine out after the screening.

In order to support the planning for this event, I ask that you contact Pam directly at mpluxford@bigpond.com with a firm commitment by tonight if you haven't already notified me.

This is a wonderful way to come together and support one of our signature projects. Please be involved.

DISTRICT CONFERENCE

Eaglehawk Rotarians are encouraged to consider participating in the upcoming conference as there is much we can all learn and enjoy from this event. As we will be very closely involved in the 2023-24 Conference organisation and conduct, this is an excellent opportunity to not only develop a good understanding of the conduct of a Conference, but a great chance for members and partners to interact with each other and develop new relationships with other Rotarians across our District.

Please give your attendance serious consideration!

INTERNATIONAL CONVENTION 27-31 MAY 2023 MELBOURNE, AUSTRALIA

March 2022

Melbourne Convention Host Hospitality Night

Monday 29th May 2023 is the Melbourne Convention Host Hospitality night. An RI Convention tradition where local Rotarians and Clubs provide delegates with a memorable evening of hospitality, local culture and international fellowship.

We are now seeking expressions of interest from individual Rotarians and Clubs to participate in either Home Hosting or Club Hosting events. This is a great opportunity to induct delegates into the culture and marvels of our wonderful city.

I look forward to hearing from you and your great ideas on how to impress our overseas and interstate delegates!

Closing Date 30 April 2022.

**Peter Dunn - HOC Director
Host Hospitality**

HOME HOSTING OPPORTUNITIES

Rotarians who are registered for the Convention and live within an approximate 15 km radius of the CBD can apply to host between 4 and 8 international and interstate guests in their home for dinner. Priority for hosting will be given to Registered Convention attendees but non-attendee Rotarians are also welcome to apply.

As a Home Host you will be responsible for arranging transport for your guests to and from your home. You may want to consider involving others in your Club, or immediate family to assist in this process. It is acceptable to have guests returned to their hotels by Taxi or Uber.

Hosts will receive \$55 per guest (from the registration fee for this event) to help offset the costs of the dinner and transport.

For more information and to Register your interest in Home Hospitality Opportunities go to:

<https://rotarymelbourne2023.org/home-hospitality>

CLUB HOSTING OPPORTUNITIES

These ever-popular Convention events fill quickly and we expect that Melbourne won't be any different. Clubs or a group of Clubs are invited to design their own event and dinner which can be at the same venue or two different venues. To minimise travel time venues should be within a 20 km radius of the CBD. Guests are picked up by bus from their hotel and once onboard, an announcement about their destination is provided. **Surprise!** Clubs will need to host guests in multiples of 50 (one busload) and have at least 5-10 hosting Rotarians & partners for each group of 50 at the dinner venue.

Delegates registering for Host Hospitality will pay a flat charge to attend which will include their return bus trip. Clubs will receive a contribution of \$35pp towards the catering costs. Drinks will need to be purchased on a cash basis at the bar. Clubs should consider budgeting separately for any additional catering costs or entertainment. For more information and to register your interest in Club Hosting go to:
