President Mick's Report

They shall not grow old, as we that are left grow old. Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning we will remember them.

Laurence Binyon

How great it was to be back to meeting face to face this week (my first as President), we met at the Camp Hotel as we still have restrictions in using the Mechanics Hall at this stage.

Being our first meeting back we had a Fellowship night catching up with each other and how we have all been coping with lockdown. It was so good I had trouble getting control so as we could discuss some business. Well done all that attended!!

We started off by having 1 minutes silence to reflect on Australians who have served in the Armed Services.

Brian Fitzpatrick presented his vision for our proposal for the development of the Lightning Hill Lookout; next step is the gain support for the proposal. Well done Brian on taking the initiative and following through with it, it is time we all get behind him and make it happen.

Bunnings BBQ's are back on and we have committed to doing one next Sunday 22nd November from 9.00 am to 4.00 pm we will be calling for volunteers.

As part of the Centenary of Rotary in Australia we have agreed to participate in 100 acts of kindness, Ron Payne has agreed to keep the records of these so when you have been involved with any acts of kindness let Ron know so as it is recorded.

We have received in the past week 2 resignations Roy Parker and Dean Pearce, you both will be sadly missed.

In the case of Roy Parker, he was the last of our Founding Members so he has been a Rotary Member for 54 years, what an incredible commitment to our Community. Thank you Roy for your service.

Next week's meeting we are going to the Camp Hotel again fellowship from 6.00pm with the meeting starting at 6.30 and we will continue the catching up with each other (I have got a couple of surprises line up for next week). Please let me know if you are going to attend Phone 0428468298 or Email sailawaysunshades@bigpond.com See you there.

Board meeting next Wednesday starting at 5.00pm at the Mechanics Hall, Board Members please get your reports to John by Monday.

Mick Costello
President 2020-2021

Exciting Australia Day Event Opportunity

I am very pleased to advise that through the National Australia Day Council, we have been given the opportunity to bring our Rotary network together to celebrate all that is Australian. The theme for Australia Day this year is: **Reflect, Respect, Celebrate. We're all part of the story.** For 100 years Rotary in Australia has been bringing communities together. After our drought, bushfires and COVID-19, this will be a wonderful opportunity to join together in a COVID-safe way in all our respective towns and cities to take part in one event that will inspire. Historically, bringing people together in a safe space to have a conversation has seen those conversations turn into actions that make a very real difference.

It is our plan for this celebration to have a central event broadcast Australia-wide, supported by local community events, such as barbecues, morning teas, luncheons etc. held in cluster groups of 15 clubs. Our Patron for the event will be Professor Patrick McGorry AO, with presentations by Past Rotary International President Ian Riseley and Rotary International Director (Zone 8) 2020-2023 Dr Jessie Harman. Past District 9800 Governor Greg Ross will be the MC. We envisage exciting headline acts by prominent Australian performers and Rotary advocates.

Our strategic focus for this very special Australia Day event is:

- **Meaning:** Promote the meaning of Australia Day and being Australian
- **Participation:** Unite all Australians through celebration and reflection
- **Recognition:** Acknowledge active citizenship and achievement
- **Acknowledgement:** Recognise our Traditional Owners and our multi-cultural society
- **Celebrate:** Promote our achievements from 100 years of volunteering in Australia
- **Aspire:** Create a strong and vibrant future for the next century of Rotary action in Australia

This wonderful opportunity will allow us to promote the amazing work of Rotary and our key R100 projects nationally. Further information will be given to you over coming weeks.

November is Foundation Month when we focus on our giving tree, The Rotary Foundation. For the first time, Australian and New Zealand districts are launching Centurion Week, 9th and 15th November. The Centurion Program is an easy way for Rotarians to support The Rotary Foundation and further information can be found in this week's edition of *Networker*.

The final amount raised for the *Walk With Us* campaign is an astounding \$121,373, with District 9800's contribution being \$75,789. Well done to all those who took part in achieving such an amazing contribution toward the Foundation project, End Polio Now!

Have a great week everyone...Rotary presents so many wonderful opportunities to make a difference in our world.

Rotary District 9800 Governor Philip Archer
