President Mick's Report

"The way I see it, if you want the rainbow, you gotta put up with the rain." —**Dolly Parton**

Great News- Covid cases have been 0 ZERO for the past 7 days!! Well done Victoria.

Also Rita has agreed to have our meeting next week at the Rotary Book Shop, our FIRST Face to Face meeting in my Presidential Year. Looking forward to it.

We will start at 6.00pm with Fellowship and Drinks and we will organize for Pizzas and Chips at 6.30pm. BYO drinks (Richmond Draught is my drink of choice) and I will organize the food, please contact me on 0428468298 and let me know if you are going to attend. I can't wait to catch up with you all and see how well we are all traveling.

Remember to promote the Grange Raffle as much as possible as it is our only form of income possible at the moment.

Having said that Bunning BBQ are back on as of the 14th November and we have been offered the running of their BBQ on the Sunday 22nd November. I will be chasing up volunteers next week.

Getting back to the Club Rooms:

Thank you to Geoff Gallagher, Brian Fitzpatrick, Alison Bacon who joined me for the working bee last weekend. We tidied up the yard, and Alison and Geoff did an amazing job of tidying the kitchen putting our new dishwasher to work (only takes 3 minutes to do a load of dishes).

Also big thanks goes to John Jones who has been working on our Covid plan in readiness for our return. Hopefully very soon!!

Our guest speaker last night was Adrian Campbell from the Rotary Club of Camberwell who was talking about the ROMP program - Rotary Outreach Myloma Program. Adrian, as a Myloma sufferer, gave us insights to the Cancer and what they are trying to achieve in providing support networks for sufferers and their families. They are after our involvement in setting up a support group in the Loddon Campaspe area. We will discuss this at the next board meeting.

Next week's meeting is an opportunity for a get together night and see how everyone is travelling. I am looking forward to it, remember - let me know if you are going to attend. My phone Number 0428468298

Mick Costello
President 2020-2021

Staggering End Polio Now Campaign Result

I am so proud to advise that the *Rotary Walk With Us* campaign to End Polio Now has raised a staggering \$103,400-plus Australia-wide to which District 9800 contributed approximately \$76,000 (as at 29th October). This is a remarkable effort, and I want to thank and congratulate all who participated. This is once again a testament to what can be achieved when Rotarians get together—we truly are 'People of Action'!

The Business Leaders Breakfast event held last Wednesday morning was again incredibly well attended, and so inspiring. David Landgren's presentation on Organisational Culture seemed to resonate with everyone, as evidenced by the Q&A and lively breakout sessions that followed. The key takeaway points that David made were the need for a focus on TEAM (Together Everyone Achieves More), integrity, authenticity and customer centricity (internal and external). In Rotary, these fundamentals are equally important, and when aligned to the 4-Way Test, we have a powerful credo for success—not only in Rotary, but also in business and in life generally. I encourage all Rotarians to reflect honestly on these values when faced with difficult decisions or interactions. Even in Rotary, we have internal and external 'customers'...they are our members, club partners, sponsors, Friends of Rotary, and in fact all those with whom we come in contact as Rotarians. It is also important to consider these values when recruiting new members. Ensuring potential members fit your club's culture and Rotary's values far outweigh the skill sets they might bring.

Another fantastic *Rotary in Harmony* event was held last Sunday. Again, it was so well attended and such a joy to see so many Rotarians really "rock 'n' rolling" to the repertoire beat emanating from the amazing musicians who entertained us for the afternoon. Our next ***Rotary in Harmony—Jazz*** event on Sunday 8th November will be **free of charge**, as will the events that follow in this series. However, any discretionary donations made will support Australian Rotary Health.

Have a great week everyone—Rotary is an extraordinary gift that keeps on giving.

Rotary District 9800 Governor Philip

Our Club's efforts may not have been on this scale – however it's great to have our 'small' idea validated in the knowledge that other Rotary clubs have also realised this opportunity.

Making Masks During COVID-19

By Past President Lisa Lowcock, Rotary Club of Essendon

Days for Girls (DfG) Keilor Gateway Cluster is an international project of the Rotary Club of Keilor East, and involves team members making sustainable kits containing menstruation sanitary items.

Club members first heard of Days for Girls in 2014. A small group of ladies armed with scissors and sewing machines enthused about this hugely impactful project. So, a team of volunteers (nicknamed "the Daysies") got to work in Past President Cherrie Osborn's kitchen and lounge room. This team has inspired more than 100 people to meet each month in Essendon to create 500 kits annually. With assistance from Donations in Kind (DIK), the kits and a DfG education program are distributed to women and girls in Balibo, Timor-Leste, who would otherwise miss school and work due to their menstrual period.

Enter COVID-19, and the directive of the State Government to wear face masks. Commencing with a few masks for her family, team member and Rotary Club of Essendon Past President Lisa Lowcock, busily started sewing. Pleased with how hers looked and felt, Lisa's daughter posted a photo on Instagram and Facebook and the orders started coming in from friends, then friends of friends, and then families of friends. This gave Lisa a "light bulb" moment! Why not utilise some of the DfG fabrics and ask for \$20.00 per mask or \$30.00 for two masks with all proceeds going to the Days for Girls project?

Orders rolled in, including from local companies and schools. Within a few days, Lisa found herself swamped with orders and welcomed the assistance of four other Daysies (DfG volunteers)—Jane Odgers (Co-Leader of the team), Jenny Oldham, Romana Sultana and Helen Penna. Two weeks later and over 300 masks had been made and sold with the proceeds of sales amounting to over \$4,000 for the DfG Keilor Gateway Cluster team to purchase supplies.

Lisa is thrilled with the way the masks have been received, especially by a Royal Children's Hospital Oncology Department staff member and friend, who commented on the softness of the fabrics in the masks she used at home compared to the medical masks worn in the hospital, which caused skin irritations. This was another "light bulb" moment for Lisa. Still armed with her scissors and sewing machine, she decided that these frontline workers needed help. So, Lisa made up 90 more masks and donated them to the grateful nursing staff.

The Daysies are now just waiting to get together again and enjoy each other's company. They are eager to continue fulfilling Rotary International's motto to "Open Opportunities" for the women and girls in Timor-Leste, who, by receiving these wonderful Days for Girls kits, can maintain their dignity and look forward to a more positive future.

Club of Eaglehawk

Penfolds

Face Masks -

New batches being manufactured daily !

These are continuing to sell and raise funds for the club. A recent comment indicated that we should prepare for these to be worn for many months to come.

So, if it's time you changed to a good high quality double thickness cotton face mask then new stock is now available by contacting Alison.

alison@bendigo.com.au
or by calling 0417 562 952

Rotary Fellowships: LGBT Rotarians and Friends Fellowship

By Helena Wimpole

Accredited in recent years by Rotary International, the LGBT Rotarians and Friends Fellowship is a good example of Rotary keeping abreast of our changing times. Our founder, Paul Harris, believed that Rotary would be left behind if it did not appreciate the need to keep up with changes in society.

For too long the LGBT+ community worldwide has suffered discrimination of all kinds and their leaders, over many decades, have fought a difficult struggle for social acceptance. In recent years, the achievement of marriage equality in quite a few countries has provided dignity and a sense of acceptance for LGBT+ people. However, in some other parts of the world, there is still severe condemnation and serious adverse legal consequences for LGBT+ people.

The LGBT Rotarians and Friends Fellowship is a group within the family of Rotary, dedicated to promoting global friendship, service and education. The Fellowship aims to create an inclusive understanding and welcoming community, fostering goodwill and peace and realising a world that achieves fundamental fairness and equality for LGBT+ people.

The Fellowship also aims to educate Rotary clubs to be more inclusive, to provide a safe and welcoming community within the Rotary Family, and to undertake Service projects that impact and benefit the LGBT+ community. The Fellowship is also available as an LGBT+ advisory group, contributing to, and consulting on practices to be an inclusive club, providing policy development and projects of significance to the LGBT+ community.
