## President John's Report

A very busy and productive meeting with lots of members and visitors present. Special guests were PDG Bronwyn Stephens and Mark. Their presence had a two fold purpose. Prior to our dinner meeting the Club executive and PDG Gordon met with Bronwyn and Mark to finalise our commitment to be the lead club for the Fight Cancer foundation in their quest to build a new facility for families whose children are receiving treatment for cancer. While Rotary House does a wonderful job the demand far exceeds the capacity of the house and so a new expanded facility is required. That our club was invited to take the lead role is, in essence, a most worthwhile acknowledgement of the enormous contribution of PDG Gordon in establishing the current facility.

Bronwyn also presented PP Alison with a Rotary International Gold Citation – one of six presented in the district – in acknowledgement of the services provided by the club and its members during the past Rotary year. A most worthy acknowledgement. In accepting the award Alison identified our Drought Relief Project as our standout achievement.

After what must have seemed a very long time for the family arrangements are now in place for the funeral of Jodie Lougoon. The funeral is at William Farmer Chapel in Eaglehawk at 2:00 pm on Friday. We have agreed to support the family by providing for the catering. Members and families are encouraged to attend and I know that Maureen and Monica would appreciate our support.

Guest speaker, Kaye Graves, gave us a wonderful overview of the refugee situation in Bendigo and some insights into what they go through to achieve their goal in reaching Australia. She has invited us to explore how we may be able to offer tangible support and intend to pursue that conversation.

Thank you to those who came along last Sunday afternoon and the difference in the presentation of the grounds is quite outstanding.

The Christmas Raffle is fast approaching and we do need lots more fillers to make it attractive to buyers. Please let Leon McGlashan know if you have actual or potential donors. We need it all ready to go for the swap meet which is fast approaching.

The Grange Raffle sales are progressing well and you are encouraged to spread the word through your personal and professional networks – the flyer with the interactive link is attached to this newsletter so please get it out there.

We don't have a regular dinner meeting next week as we have a tour of the museum at the Soldiers Memorial in Pall Mall. Given the proximity to Armistice Day it will be most informative. The tour will be at 6:00 and followed by dinner at Ploy's Bunja Thai restaurant across the street at about 7:00. Partners are welcome to attend but it would be appreciated if you could let me know by midday on Monday so I can give Ploy plenty of notice. (Early notification of apologies would also be appreciated).

John Jones  
President 2019-2020

Ron Payne

Following an on-site meeting with executive and professional advisers it has been agreed that the involvement of our club and rotary in general will be on hold pending further information being available.

Mick Costello

Reported that the Haggard Street house project that we undertook has now had carpet laid and looks fantastic.

Alf Thorpe

Recalled that recently he heard of a rotary project calling for bikes in need of refurbishment that can then be rehoused. Alf advised that he has two good bikes that can be donated to the cause but needs information of who to contact in this regard.

Lara Osborne

Promoted the 9 to Thrive Summit organised by Business Chicks and announced that **Rotarian Sarah Wainwright** is the recipient of an anonymous donation of a sponsored place at the event.

Seamus Haugh

Director, Membership Séamus Haugh updated our members with a snapshot of feedback from our recent club strategic planning workshop. Key themes were diversity, equity and inclusion, helping others, community wellbeing, education, opportunity and respect, youth and new members. It was important to hear that our feedback matched Rotary's core values. Séamus explained the next steps would involve drafting a three year strategic plan for discussion aimed at guiding present and incoming board members to deliver meaningful and attainable goals.

Séamus also asked all of us to reflect on the snapshot of themes and to think about how they could attract potential new members to our club. "Over the next few weeks we are entering a busy time for our club. We are out and about at the annual Bendigo National Swap Meet, promoting and selling tickets at our annual Christmas Stocking Fundraiser. How do your nominated themes fit the people in your lives? I ask you to choose one person who you think would be an asset to our club as a new member." Please let Séamus know your thoughts and consider inviting your prospective members to be our guests at our weekly meetings.
