WHAT BROUGHT A SMILE TO YOUR FACE THIS WEEK?

Tell us what has made you feel good this week. We'd like to enjoy these moments with you.

Send an email to eaglehawkrc.newsletter@gmail.com by Thursday morning for these to be included in next week's newsletter. You can also include a photo.

Deb & Ron – taking a quick break in Eildon and enjoying the beautiful birdlife near our camp.

Alf - is happy walking his little dog each day around the neighbourhood block.

Lyn Harrison –it was once again inspiring to hear Lyn talk about her journey with Covid this week on the radio and in the local newspaper

President Gary & Lola – so looking forward to their caravan holiday for the week.

Lynne - A day trip to Creswick to the wonderful French Patisserie - Le Peche Gourmand. What a treat! The beautiful countryside with crops, canola and sunshine. Feeling blessed to be able to go for a drive.

This week's Meeting

Our guest speaker was Dave Heath. Dave is a nurse practitioner with Bendigo Health and works at Bendigo Health and at Heathcote. He also works with two urologists and has some private clients.

Dave started his working life as a painter but entered the nursing profession via a TAFE course before progressing on to LaTrobe University, post graduate qualifications and a Masters at Monash University. As he stated, he has spent a lot of money on Universities.

Dave's specialty is issues associated with the prostate. He gave members an informal and very informative address on a range of issues associated with that gland. A major focus was the importance of regular PSA tests – he has one on his birthday each year. It is a simple blood test with its value being able to detect abnormal changes – a sign that there is an issue to be addressed. He certainly held everyone's attention.

Thanks Dave for a most informative talk.

Board Meeting Reminder.

A reminder to Directors that we have a Board meeting next Wednesday, October 20, at 5:00 pm at the Mechanics, Covid permitting. Reports to secretary John by CoB Monday would be appreciated.

Who Am I?

At next week's meeting we are having a fellowship night. Geoff and Mick are in charge - what can go wrong????

Please bring to the meeting something from your past that we don't know about you. Keep it secret. We will have to guess what belongs to who and hopefully you can tell the story behind it.

A little bit of fun. Please join in.

Promotion for Rotary Leadership Institute

The Rotary Leadership Institute Program presents a wonderful opportunity for experienced Rotarians, new members and indeed people interested in finding out more about Rotary to take some time to experience the history, current and new initiatives related to this great organisation we call Rotary.

This four-part program is now available online.

Part 1 & 2: Growing and strengthening Clubs through developing a Plan for the future of your Club. Looking at Rotary Leadership through examining the styles and characteristics of great leaders. Becoming a confident Club President or another club leader through understanding the roles and responsibilities and characteristics of effective and happy teams.

Part 3: Focussing and Increasing Humanitarian Service whilst learning more about **The Avenues of Service** and **The Rotary Foundation**.

Part 4: Enhancing Public Image and Awareness of Rotary and **Sharing and promoting what we do**

The next Rotary Leadership Institute will be conducted on the following dates:

Part 1 and 2 on **Saturday 20 November at 11am** and will run for one and a half hours.

Year 11-12 Scholarship Grants Available from October 1st

The District Foundation Year 11-12 Scholarship Program has been enormously effective in assisting talented and motivated students facing financial hardship to complete their secondary education. Most recipients so far have also gone on to commence tertiary education. Clubs have also used this opportunity to strengthen their relationship with local schools and inspire participation in other Rotary Youth programs. The District Foundation Committee is once again inviting D9800 clubs to participate in this program. Ten Year 11-12 Scholarship Grants will be made available this year for clubs to offer to local schools for the 2022-2023 school years. The grant of \$1,000 will match your club's contribution of \$1,000 to provide the scholarship over the two-year period. If your club would like to take this opportunity to participate, we recommend starting discussions with your candidate school now. Applications opened on October 1st 2021 and will close on Friday November 12th 2021. Preference will be given to clubs who have not previously had a scholarship grant, after which it will be first come first served.

Application forms and grant guidelines can be downloaded from the District 9800 website: <https://rotarydistrict9800.org.au/sitepage/district-and-global-grants/year-11-12-scholarships>
Alternatively email the Chair of the District 9800 Humanitarian Grants Committee Richard Blakeman and request the forms be emailed to you: foundation.grants@rotary9800.or
