President Mick's Report –

As last night seemed to be warm enough I thought it would be a good idea to Zoom in from my back yard, started well until dusk when I was attacked by the mozzies. Another lesson learnt - that is 2 lessons in 2 weeks.

Mick's Quote of the Week

Pain is temporary. It may last a minute, or an hour, or a day, or a year, but eventually it will subside and something else will take its place. If I quit, however, it lasts forever.

- Lance Armstrong

We have received resignations from both Doug Poole and Jack Millonig.

Both Doug and Jack have advised that they are no longer able to participate within the club as they have in past and whilst we are sorry to lose members we totally understand and wish them well. Both resignations will be formally addressed at the next Board meeting.

The Grange raffle has been officially launched so please help us to ensure this is a success. We've all saved over recent months by not having dinner meetings so perhaps your funds can be channelled into this fundraising effort. Please share throughout your social networks and encourage your friends to consider a tickets purchase – not only great odds at 1 in 200 chance to win but what a prize – a great investment! Flyer attached.

Last night's guest speaker was Julian Mather, master storyteller, author, cameraman and magician. Julian's storytelling certainly had all of our attention as he relayed stories of his adventures in his diverse range of careers.

Next Week is a Board Meeting week so we will have a general get together from 6.45pm via Zoom and the Board will go to a breakout room at 7.30pm. Board Members please get your reports to John this weekend.

Combined Cluster Meeting with the DG

Every year, each Rotary Club in the District is visited by the District Governor who attends their meeting, this gives all members the opportunity to talk to and connect with them on a personal level. This of course can't happen this year but DG Philip Archer is very keen to connect with us. So, we're having a combined Cluster meeting –

Thursday October 22nd at 6.45pm On Zoom

The meeting will go for about an hour and all members, friends, family and those interested are encouraged to participate.

AMBROSE SCORING & RULES

Four players (4 person ambrose) work as a team.

Each player hits off the tee, the best shot is selected and all other players pick up their ball and place it, within one handspan, alongside the best ball. Each person then hits a second shot from the same spot. The best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position.

One score is thus recorded on each hole. This is the sum of the best shots used throughout the hole. The best shot from the team is chosen for each shot hence your group has four chances to hit a good shot.

If your best ball is played from within a hazard then each of the player's balls must be played from within that hazard.

Australian Rotary Health's National annual fundraising day for mental health research.

This campaign was founded by ARH Vice Chairman Greg Ross, started in 2016 in partnership with Rotary Clubs of Victoria. The event was such a success that it has now been extended to all Rotary Clubs across Australia.

Each year approximately 1-in-5 Australians will experience a mental illness and in order to help future generations of young Australians, we need to look ahead through research and find out how we can prevent this type of illness occurring.

Please support this wonderful initiative by making a donation during the month of October to your local Rotary Club, in this case the Echuca Moama Rotary Club Inc.
