D9800 Conference – Bendigo 27th to 29th March 2020

The organising committee continue to plan for the conference, and as we progress we have opportunities for our local clubs to have an involvement by contributing in ways that will spread the workload.

We have been fortunate and managed to secure a sponsorship from ASQ of plants for stage decoration. Therefore, an opportunity has arisen for our club to provide a volunteer to facilitate the collection/delivery of the plants for this part of the conference.

Please advise PP Alison if you would be available to assist in this capacity.

President John's Report

It is with sadness that I commence this report with advice that Jodie Lougoon, daughter of Jeff and Maureen Lougoon, has passed away. Jeff was a past president and Maureen a valued member until her health restricted her capacity to be involved. Jodie passed away in South America and so bringing her home is quite complicated. The family has asked if Eaglehawk Rotary can support with catering when arrangements are finalised and I have assured them that we can – be it physically and/or financially. Our thoughts are with Maureen and Monica at this sad time.

Again we had a number of guests, with strong representation from the Frank family, for Gary's presentation on his recent Kokoda experience. Supported by some wonderful photographs we thoroughly enjoyed and learned from the presentation – thank you Gary and Claudia for sharing your experience. It did bring back memories for a number of members who were involved in work parties in the past (especially PP Leon Scott and PP David Dolman) and those whose families served in the area during WW2.

This weekend we have our End Polio walk at Lake Neangar and AG Ron Payne has put in a huge effort to get it organised and so we look to having very strong support from members, families and friends from within our club and from other clubs in our cluster.

Following the walk PE Mick has arranged to finish off the painting at Haggard St before carpet goes down next week. And, after that, Tee is going to offer a Thai meal at the Costello's. Please let Mick and Mandy know if you plan to attend.

The Great Grange Raffle is now 'live' and information is available on our website and Facebook pages. Information is included in this bulletin and a pdf will be circulated separately to our bulletin distribution list. The link to the raffle site where tickets can be purchased is included in the pdf. (It should be a 'live' link). Congratulations to a Past President who has made the first purchase using the Stripe payment system.

Regretably we advise that the planned Silo Tour has been cancelled due to insufficient numbers. However, as they say, when one door closes another opens - we have been offered an opportunity to manage car parking at Lightning Reef Primary school on that day, Saturday 26th October, during the Bendigo Show and, after indications of support from members, I will indicate that we will accept that offer. I would expect from about 9:00 until 3:00.

Please note that we do not have a meeting on Bendigo Cup Day but I do plan to visit RC Castlemaine on that evening and members are most welcome to join me.

Next week is a Board meeting and Seamus will facilitate a program around our strategic planning processes – the involvement of members in this process is critical to its integrity and success.

John Jones
President 2019-2020

Member Announcements –

Ron Payne

Advised that his teams goal of \$500 has been well and truly passed, well done to all those who have financially supported the efforts and we are looking forward to a great event on Saturday. Several roles still to be filled with members asked to come along and help and support the club's efforts.

Member Announcements – (Cont'd)

Robert Hansford

Spoke about the upcoming Swap Meet and advised that we seem to be doing quite well filling the spots although there are still some opportunities for members who haven't yet committed to pop their name onto one of the vacant spots.

Leon Scott

Drew members attention to the fact that as the cashiers shift on the Saturday morning was very important it was concerning to see that the shift wasn't yet filled.

Brian Gould

District Scholarships for year 11 and 12 involve a contribution of \$1,000 (\$500 from district and \$500 from the club) each year. These scholarships are designed to encourage talented and motivated young people facing financial barriers to successfully complete their year 11 & 12 education. If members are aware of a potential candidate please advise Brian.

Two Karen students from Bendigo Senior Secondary College will be sponsored by our club to participate in the RYPEN Program.

Brian also reported that he has participated in the 'zoom session' which was held to share information of the 2019 Rotary Youth Leadership Awards program. Our club will be sponsoring another participant and we look forward to hearing from Rosanna upon her completion of the program.

Mick Costello

Reported that the BBQ held at Fitzpatricks Home Hardware last weekend saw us receive a donation of \$300 from Fitzpatricks along with a considerable amount from the donation tin. This BBQ was fully funded by Fitzpatricks and we simply turned up and cooked and served – a great example of teamwork and how we can work together for the benefit of all involved.

The Haggar Street house renovation will continue this Saturday (following the Rotary Walk to End Polio). A small amount of painting is still required and should only take a couple of hours.

And to round out a complete day of Rotary for our members, Tee has agreed to cook a Thai meal for the clubs helpers on Saturday night. Please let Mick know if you can attend so as they have an idea on the number to cater for.

Peter Houlden

Announced that there is a plate of slices available for you to enjoy with your tea/coffee tonight – courtesy of the Eaglehawk Bakery.

Cashiers/Treasurer

A reminder to our members of the process required to ensure we eliminate both food wastage and unnecessary expense for our club. Each week it is assumed you will be attending and as such a meal will be ordered on your behalf, which in turn requires you to pay for it. If you will not be attending then you have until 10.00am on the morning of the meeting to advise accordingly. Over the last few weeks the number attending meetings has varied considerably from the number of meals we have ordered and we need to reverse this trend. President John has requested that apologies be advised to him in writing (email or text please) as mentioning during a conversation that you may be away isn't always going to be remembered. Let's all try a bit harder in this area!

Who wants to come along to this Seminar being provided by D9800?

A great opportunity to learn about all things in the Public Image and Membership worlds.

Let Alison know if you are interested and we will arrange car pooling.
