Melbourne Staff Band of The Salvation Army

The band commenced back in 1890 a group of 8. Progress was rapid by 1898 was the first journey interstate to support the visit of General William Booth (founder of The Salvation Army). The band had toured to New Zealand, UK and Europe Korea, Canada, USA as well as all over Australia.

Becoming a world-class band, the Melbourne Staff Band has not lost sight of its mission. It has a great history and tradition but presses on bringing the message of Christ to the modern world. The challenge is great, but the Band continues its quest in the firm belief that its work is important and the God it serves will honour its commitment.

Chief Bandmaster – Mark Hamilton

Mark is currently the MSB Bandmaster and has been in the band for 24 years. Mark brings a wealth of musical talent, leadership experience and deep passion for the mission and ministry of The Salvation Army. This is an exciting new chapter in the history of the band's 134 years of music.
