26/9/2020			31/10/2020
3/10/2020			7/11/2020
10/10/2020			14/11/2020

**We are now selling for Round 3 – which commenced on Saturday 12th September.
These are the numbers still available – 8,21,25,27,37,39,41,42,45**

President Mick's Report –

Firstly I would like to apologise for not getting a Presidents Report in last week's Newsletter.

Did anyone notice I didn't get it in?

This week we had a Fellowship meeting with no guest speaker, this gave all members present a chance to have their say and throw around some new ideas, and some very good ideas were discussed.

This was followed by our September Board Meeting. Some of the points discussed at board level were:-

Grange Raffle - well under way and to be drawn on the 16th December advertising to follow shortly.

Great Aussie Camping Swap Meet - Depending on the restrictions we have booked the Exhibition Centre at the showgrounds for Easter Saturday 3rd April 2021.

Discussions on how we can add value to our wonderful Book Shop – further consultation with Rita will see the extent of the options that we have available to us.

Next week our Guest Speaker is going to be Mandy Costello, Principal Violet Street Primary School, talking on the subject of **Educating in the Lockdown Environment**. Maybe we can get some hints as to how we can help our Children and Grandchildren.

Invocation John Gurr - Quiz Master Ron Payne

Remember to join us at 6.45pm not 7.00pm next week for Fellowship and Drinks.
(Via Zoom of Course)

Mick Costello
President 2020-2021

Mick's Quote of the Week

"People rarely succeed unless they have fun in what they are doing."

- Dale Carnegie

Mechanics Facility

Reporting on the progress of the maintenance/repairs in the kitchen at the mechanics facility.

Photos show the new cupboards under the window on the front wall, the replacement hot water system has been installed and the dishwasher is now on site awaiting installation.

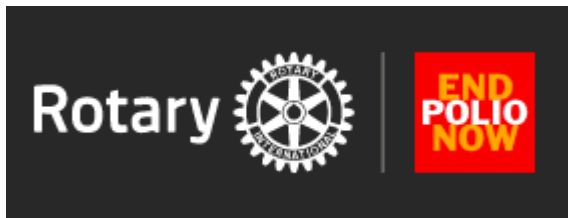

Face Masks –

Face coverings can be ordered by contacting Alison (alison@bendigo.com.au – 0417 562 952) or simply make a direct deposit into our Club's Account

BSB - 633000
Account Number - 131 067 761
Amount \$20.00 (for 4 masks)
Reference – Masks (yourname)

One of our Rotarians will be delivering them directly to your letterbox – social distancing at it's best!

Disclaimer – these are not medical grade face masks – they are made from a double layer of soft high quality cotton fabric of various colours (supply of black has now been exhausted) and are designed to provide a comfortable face covering in accordance with DHHS guidelines.

End Polio Walk

We encourage members to join this year's fundraising event to be held between 1-31 October.

People can register at www.rotarywalkwithus.org

Or can source further information on the facebook link at:

Facebook event page - <https://www.facebook.com/Rotary-Walk-With-Us-585720215446222>

About us

Polio is the world's forgotten disease and something that should have been made history a long time ago. It is a crippling and potentially fatal infectious disease. There is no cure, but there are safe and effective vaccines. The strategy to eradicate polio is therefore based on preventing infection by immunizing every child until transmission stops and the world is polio-free.

This October we are asking you to Walk With Us for those who can't. We are challenging you to walk, run or roll 10, 20 or 50km throughout the month and raise vital funds that will help eradicate and prepare us for a Polio free world.

In recent months we have all had to find new ways to stay fit and healthy. Rotary's Walk With Us End Polio Walk is also a fitness challenge that you can complete from October 1st to 31st to reach your target in a COVIDsafe way.

This year we are also celebrating the life of Past Rotary International President Sir Clem Renouf, who brought 1.2 million people together and made the promise to rid the world of Polio. If you'd like to know more about how Rotary and Sir Clem Renouf led the charge 30 years ago, please scroll to the video below.

Be part of something special: Walk With Us this October for those who can't. Be part of the end game strategy and raise funds to help make Polio history so that no child ever again suffers paralytic poliomyelitis.

SPRING INTO ALICE ... VIRTUALLY ...

Rotary Zone 8 Conference: 19-20 September 2020

Click here to register: <https://e.mybookingmanager.com/E81217415202145>

'AUSTRALIA - NEW ZEALAND ROTARY ZONE 8 2020 VIRTUAL CONFERENCE'

Past RI Director Noel Trevaskis, Conference Convenor, says:

... The array of presenters is first class plus you will be able to experience what is happening in Australia, New Zealand and the South Pacific. This conference is one not to miss, it will be historic.

I would encourage Rotary Clubs to have their Rotary meeting on the Saturday or Sunday or both days and watch the conference live (between 11.30AM AEST and 1.00PM AEST each day on the 19th and 20th of September 2020).

Organise a brunch, lunch or afternoon tea and share the experience ...

Rotary Leadership Institute teaching about the wider world of Rotary

Despite the setback with restrictions being extended, our Rotary community has so much on offer to keep us all connected and focused on positive activities and learning opportunities.

The **Rotary Leadership Institute** is a grassroots education, learning and development program that provides a valuable experience for Rotarians to understand the wider world of Rotary. It is for all Rotarians, not just those in, or aspiring to be in leadership roles. Past District Governor Julie Mason AM and Past President Lesley McCarthy have put together three online programs scheduled for later this month and early October. Places will be limited, so I encourage you all to look into what's on offer and register your interest quickly.

You will find in this week's edition a flyer on a free online public lecture on the prevention of dementia presented by Professor Gill Livingston. This will take place on 29th September at 6pm and you can register through: <http://www.trybooking.com/BINUI>

Last week's Morning Tea with the DG was once again well attended with 144 participants. From learning how to pickle our leftover vegies to discovering more about Rotary's peace-building, our Foundation's new club recognition program, the End Polo *Walk With Us* initiative, and the fun quiz, there was something for everyone. The next **Morning Tea with the DG** is scheduled for Saturday 26th September, and it too will have interesting and engaging content, so please **register to join in**.

I am very excited to share with you another fun virtual campaign, **Rotary in Harmony**—a series of four (so far) musical events, featuring our talented Rotarians and Friends of Rotary. Whilst we already have a great line up of musical talent, we are reaching out to all of you to let us know about those who are musically gifted and would like to perform in any of the events scheduled from 11th October through to 22nd November. The musical genres will include Classical, Rock 'n Roll, Jazz and Celtic.

Have a great week everyone...there's so much to learn in Rotary!

District Governor Philip

Long-Serving Rotarian: Joan Daniels—a life of many firsts

By Jonathan Shepherd, Rotary Radio Show

Variety amongst Rotary Members has always fascinated me. Each has a story to tell, but they rarely tell all.

A classic example of this is the outstanding, entertaining, and deeply modest Joan Daniels, a member of Rotary Melbourne South for over 30 years. Joan is inspirational, kind, thoughtful and hardworking. She has achieved so much in her personal life and for Rotary.

Preparing for her Rotary Radio interview I knew little about her, except by reputation with fellow Rotarians. Research and our talk before and during the Show brought revelations.

Joan grew up in the 1930s in the then developing area of Balwyn. Joan attended MLC. All her family were involved in local community activities and fundraising. She became Treasurer of the local church youth group and during the war knitted khaki socks for soldiers.

Scarlet fever kept her in Fairfield Infectious Diseases Hospital for a school term. Joan was actually so inspired by those at the hospital, she decided that nursing was her calling. She specialised in Ear, Nose and Throat. She met and married Frank Daniels, who owned a large printing company. They had three children. Her family plunged themselves into the local Beaumaris community where they eventually lived. Fundraising for Scouts, Girl Guides and local sporting clubs was constant.

Sadly Frank passed away at 48. Joan, with no experience in printing, ran his business with 200 staff whilst raising a young family. Joan excelled. The livelihoods of many families were in her hands. In a series of firsts for women, Joan became a director of the Printing Association, and then was on the National Printing Council when printing was Australia's third largest industry.

Joan sat on the Board of the Mothers' Association at her children's school, St Leonard's College. She became its Chairperson. She then became the Chairperson of the School Board, another significant first for a woman.

Joan and Frank were introduced to Rotary in 1969. After Frank's death, Joan joined Rotary Club of Melbourne South. Her accomplishments and projects in Rotary would fill another article, and she still mentors and inspires members, and aspiring office bearers.

Her life is one of 'firsts'. Her many unacknowledged achievements will have you spellbound. Hear her on the Rotary Radio Show on 94.1FM 3WBC. Keep an eye on the Facebook page and website for dates.
