Oh we're from Tigerland  
 A fighting fury  
 We're from Tigerland  
 In any weather you will see us with a grin  
 Risking head and shin  
 If we're behind then never mind  
 We'll fight and fight and win  
 For we're from Tigerland  
 We never weaken til the final siren's gone  
 Like the Tiger of old  
 We're strong and we're bold  
 For we're from Tiger  
 Yellow and Black  
 We're from Tigerland.

## President John's Report

Another most informative meeting this week. It was wonderful to welcome our visitors, PP Rob Layton and June and Ann Scott. It was also great to welcome Tee, a special guest from Pattaya, Thailand, who will be with us for about two months to improve her English language skills. Such skills will enhance her employment prospects enormously. Tee is settling in with her host family, the Costellos, and is being 'immersed' in Aussie culture, especially with respect to the Richmond Football Club. We are indebted to Mick and Mandy for their generosity (and Mandy's mum) for making her welcome.

A highlight of the meeting was a presentation to the Club of a framed photograph by PDG Gordon McKern of the organising committee of the 1993 District Conference. The Conference still has the honour of being the most highly attended in the District. Gordon was supported in the presentation by PP's Leon Scott, Rob Layton and John Gurr, all of whom had a major role in organising the conference. The photograph will take pride of place on the walls of our meeting room.

We were saddened to learn of the passing of Ray from Haggard St. In the past few weeks we have been involved in renovating the bedrooms in his home so that the family could move out of their communal living arrangements in the lounge. The rooms were plastered (courtesy Dan Costello and friends) and painted. It was wonderful that Ray was able to see and enjoy the fruits of our labour prior to his passing. There is still work to be done but that will take place after an appropriate break to allow for the family to grieve.

Last Saturday we provided catering support to the Eaglehawk Football and Netball Clubs after their Grand Finals. While the results were not as we would wish it was a great community event and a unique opportunity to showcase just what Rotary has to offer.

David Fagg, our guest speaker gave us wonderful overview of the community work that is happening through St Matthews Church in Long Gully. His involvement with the youth of the area and community development generally is having a huge impact on the community. We look forward to opportunities to support him and his team in the future.

In the past week we had a special board meeting to consider the responses to the member satisfaction survey and that discussion is being collated by Secretary Robert so that it can be circulated to members. Generally, it was very supportive of current priorities and directions but there are areas that we can address and these will be incorporated into our strategic plan.

Last Tuesday PDG Gordon, AG Ron and PP Alison and myself attended the RI President's dinner in Ballarat. It was a unique opportunity to hear from the RI President and specially to learn about his rather frenetic travel arrangements.

Next week we host Robyn Traynor from the Eaglehawk Hawks Swimming Club, valuable supporters of our Swap Meet catering team and the broader Eaglehawk community.

**Why**

Will 2 Walk is an annual fundraiser for the Stroke Association Victoria, 2019 will be the inaugural year for The Bendigo Stroke Support Centre. The walk will see members, friends and family embark on 20km walk along the The O'Keefe Rail Trail to raise funds to support the many programs and activities that make the Bendigo Stroke Support Centre so valuable to the stroke community in our region. The 20km journey is a gesture of respect, gratitude and encouragement for the stroke community. Our walkers, each affected differently by stroke, are united in the goal of representing each and every stroke survivor and carer and the daily hurdles they overcome living with the effects of stroke.
