General Committee members

Kylie Campbell, Mick Derrick, Brendan Shotton, James Seaman, Andrea Clayton, Lynnette Saunders, Albert Skipper "Skip", Scott Harrison, Peter Cox, Jemma Stormer and Jude Jacobs.

Our guest speaker this week was **Rosemary Metcalf**, Rosemary has been a long term Eaglehawk resident and has been involved in the Travel Industry for almost 40 years.

Rosemary explained what the COVID 19 pandemic has done to the travel industry.

Never before has such a catastrophic event occurred throughout the world with borders shut between countries, states and even cities. As a travel agent she had little choice but to shut up shop and wait it out. Rosemary was lucky compared to a lot of her long-time friends and associates, many of whom have left the industry.

Rosemary knows all too well how hectic our lives have become and therefore she encourages us to contact her, to become our own Personal Travel Specialist. When you do, she is the only person who will pick up your call or answer your email. She will work with you to eliminate the stress and hassle in arranging your next travel experience with a great range of products and the passion to help turn your travel dream into a reality. With her travel industry experience and the amazing support of MTA Travel, this combination ensures that she can offer us exciting destinations and a personalised itinerary to best suit our travel requirements and, more importantly, our budget.

Don't forget the Community breakfast tomorrow and that we are "carparking" at the Great Stupa between 10.am and 2 pm this Saturday.

Until next week, stay safe

Geoff Gallagher

Combined Rotary Clubs Swap Meet Roster

We're giving you all plenty of notice to pop this in your diary – Swap Meet weekend is Saturday 12th & Sunday 13th November.

All clubs will need to provide 60 x 4-hour shifts. With our current members this equates to 3 shifts per member. We also need to provide Site Captains all day each of the days so we need three members to take on this role and share the workload. Over the next couple of weeks could you please contact Alison with details of the shifts that you would prefer (see shift options below). The rosters will be prepared by the organising committee and distributed accordingly.

Some members may find it handy to bring in a family member or friend to help you cover your shifts. We have been fortunate and attracted the assistance of the Imagination Library Committee under the agreement that our clubs share of the proceeds will be split in accordance with how many shifts are undertaken by them.

Swap Meet Catering -Volunteer Duties

Thank-you for volunteering. Working at the Swap Meet is good fun, you get to meet lots of people **and** you are helping your cause. It can be hard work and tiring, so to make it easier to choose an appropriate shift that you feel will matches your abilities we have divided jobs into light, medium & heavy.

Please bear in mind most duties include being on your feet for all your shift. **If there are any Barista's or experienced Cashiers out there, please write it on your roster sheet.**

Light Duties

These include clearing and cleaning tables, serving in the Luncheon Hall, sandwiches, cakes & slices and at the Bain Marie and general duties within the Luncheon Hall, e.g., wrapping cutlery, making toast **Sat & Sun**

Medium Duties

These include, cooking and serving on the BBQ's, cooking on the BBQ's would include sausages, bacon & eggs (this can be hard work). The BBQs are arranged so there are cooks, servers, and a cashier. Due to food handling safety issues the cashier only handles the money. **BBQs are Sat & Sun only.**

Making sandwiches, usually done as a production line set up. Food preparation, cutting up fruit for fruit salads, washing up. Coffee preparation and sales, replenishing stock throughout the event to various sites. Vacuuming on Fri & Sat night after evening service, vacuuming, and cleaning the sites at the end of the event. **Fri Sat & Sun**

Heavy Duties

These include setting up the BBQ's, moving trestle tables, equipment allocation to sites, setting up tables in the Luncheon Hall, receiving stores and equipment. Receiving and checking Hire Equipment. Collecting equipment from Mayfair Park Rotary Storage Shed. Post event the reverse of these tasks Mainly **Thurs, Fri and Mon.**

When you put your name on the roster, please can you indicate L (Light), M (medium) and H (heavy) and we will do our best to meet your request. There will be times when Medium & Heavy merge.

If you have any specific needs, please let me (Libby Hughes 0409044429) or your roster co-ordinator know.

Expectations of Voluntary Staff

When volunteering for a shift be sure you turn up at the times indicated, if you are unable to work on that shift, please advise Staff Co-ordinator on Mobile 0409044429

All Staff are to report to the Staffing Tent to sign in before commencing a shift. The Staffing Tent is located near the Main Entrance and will be signed.

Staff will be allocated their area from the Staffing Tent, if you have a disability, please let the staffing co-ordinator know when signing in and a suitable job will be allocated.

You will report to the Site Captain who will then explain your duties.

You will be allocated a break during your shift at which stage you may have refreshments supplied by Rotary. At no other stage during your shift are you to partake of food unless permission is given by the Site Captain

On completion of your shift, you are to report back to the Staffing Tent to sign out, this is necessary for Insurance Purposes.

If you are a Student a Certificate of Appreciation will be sent to you within the next few weeks, this may be used for your Studies in Community Work.

Thank You for Volunteering.
