President John's Report

A meeting with a difference at True Brew where we enjoyed a tour of the facilities and an explanation of the brewing process and a most enjoyable tasting. It was great to have a number of partners and guests present and they experienced a less formal side of Rotary. Afterwards to a meal at All Seasons, one of our generous sponsors of our Trivia Night and, again, joined by some partners. Feedback in response to the evening has been very positive.

One of the outcomes of the evening was an idea to produce our very own 'Eaglehawk Rotary' label. We may need to have a subcommittee to decide on a recipe but I doubt that we will have difficulty in attracting volunteers.

Prior to the meeting AG Ron Payne, PP Alison Bacon and Gary Frank met with Ashin Moonieinda, Ah Pay, RC Bendigo South President Glenn Madden and Ian Green (Great Stupa) to try and get a better understanding of the building project proposed for the Pine St site. Much has been achieved but there is still much to be done and priority will be to try and source some project management expertise to inform and guide the process.

And prior to that I joined Greg Penno for a chat with the audience of Pheonix FM about what is happening in Rotary at the moment, and it is quite a list. It included fundraising (Silo tour, Grange Raffle, Christmas raffle), partnership with the Stroke Association, End Polio project, Tee's visit to Australia, the drought relief project and development of the Mechanics Institute and its growing potential as a venue for community events.

Last Saturday I joined with Mick Costello, Geoff Gallagher, Mandy Costello, Carolyn Robinson and Matt McKern to start the painting process at 11 Haggard St. A special thank you to Matt who provided the technical expertise to guide us through the exercise. We have not finished and we will meet again this Saturday to paint the doors, skirtings and the hall so the family can move out of the communal lounge and back into bedrooms. If you can spare an hour or two it would be greatly appreciated.

On Monday evening PP Alison, Marj Jones and myself packed the remainder of the Sukin products and these will be available for collection at our meeting next week where our guest will be Heather Ridge who will give us an update on the work of the Bendigo Maubisse Friendship Committee and, in particular, the scholarship program.

Reminder for all members of the Movie Night coming up on Saturday 14th September.

Mick Costello

Just an update on the house, Matt and I finished off the walls on Sunday, Ray and Hannah have ordered carpets so 8.30 Saturday we need another working bee to do the hall and the skirting boards and doors. (see President John's report for update).

The guys at True Brew were very happy to hear that we already stock their 'Bendigo Ginger Beer', and after the tasting the turnover will increase even more!

John, we have checked and have it on very good authority that you are 'double parked'. Apparently a sign that you are very much enjoying the evening!

The night was finished off with a wonderful meal at the All Seasons - a great way for us to support one of the regular sponsors of our Annual Trivia Night.

**Why**

Will 2 Walk is an annual fundraiser for the Stroke Association Victoria, 2019 will be the inaugural year for The Bendigo Stroke Support Centre. The walk will see members, friends and family embark on 20km walk along the The O'Keefe Rail Trail to raise funds to support the many programs and activities that make the Bendigo Stroke Support Centre so valuable to the stroke community in our region. The 20km journey is a gesture of respect, gratitude and encouragement for the stroke community. Our walkers, each affected differently by stroke, are united in the goal of representing each and every stroke survivor and carer and the daily hurdles they overcome living with the effects of stroke.
