President's Report - Bulletin 04/9/24

A great meeting this week – there is a great deal happening in the club and all sub-committees are working towards fine tuning their areas of responsibility.

We had a snippet of what it's going to be like at the Trivia Night – a mini trivia quiz on song titles – too easy some say, so we'll have to see what we can come up with for next week.

With the Great Grange Raffle and the Trivia Night flyers now on all forms of the clubs social media it's all steam ahead with these two events. The trivia night has already attracted a booking from another rotary club – so come on team Eaglehawk – let's get those tables organised and make sure the night is one we'll remember.

The Public Image team were hard at it planning how to best support our club endeavours and Rotarian Geoff Adcock was booked as the guest for interview on Phoenix FM early Thursday morning. Well done Geoff, you did a great job promoting our club and the special efforts that we've got planned over the next couple of months.

Whilst on the topic of the Trivia Night – many businesses in Eaglehawk had earlier committed to support the previously postponed trivia night. It's absolutely brilliant that all of those businesses have agreed to continue that support and have committed to providing many prizes for us to use throughout the night of our newly scheduled event. As we all know, many businesses have had a pretty rough time of it over the last few years, so for our club to be supported in this way means a lot. The best way for our members to thank those who support us like this is to support them. So here is a list of the businesses that are sponsoring our Trivia Night, please put them high on your 'go to' list when you are next out shopping.

A reminder that Guest Speakers will be booked for our club meetings that are on the 2nd and 4th Wednesday of each month. The alternating weeks of 1st and 3rd Wednesday will be 'Service Above Self' Nights. And an opportunity for a social event is when we have a 5th Wednesday in the month – so who is going to organise the January and April social events? Let us know what you have planned!
