This Bulletin has been prepared for the Week Ending 13th. June, 2020

## When Rotary Clubs Work Together it makes much more possible ...

The Socks in the City project benefits from the goodwill of the Rotary Club of Heirisson—and others—to help keep the feet of many homeless persons warm. Our Club's most recent donation of \$498.15 will ensure another 254 pairs of warming winter socks are available for the homeless.

### About Trench Foot:

Cold, damp and unsanitary feet can be a serious health and survival threat, particularly during prolonged cold weather, because of the poor circulation and nerve damage.

Warm socks do help!
