.. more on the Meeting of Rotary Clubs at the Gin Gin Hotel on Monday the 9th. of March ...

Guest Speaker Graham Edwards held our attention, speaking from his personal experiences with wisdom gained in his public life.

As a Vietnam War Veteran, Member of our Federal Parliament and State President of the RSL, we were privileged to learn of the level of commitment and understanding that has made Graham Edwards, (holding the microphone) such a popular and respected member of the WA community. Graham was very clear in his belief that the Australian community—at large—did have the character and commitment to address the many social issues in the national interest.

Given that the meeting was attended by many members of the Rotary Clubs of Moora, Gin Gin, Mindarie, Joondalup, Mundaring and Wanneroo, wanting to discover more about the work of “Youth Focus” in support of mental health issues, we were also fortunate to hear from PP Phil Cousins with an account of the amazing success of the annual Ride For Youth fundraising events, resulting in many millions of dollars of support being given for youth suicide prevention and other mental health carers in recent years.

It was a truly great evening with thanks to the organizing Rotarians.

Youth Focus is an independent for-purpose organization and leader in youth mental health and suicide prevention in Western Australia
