## LOCAL AREA PUBLICATIONS SELL!

When we were addressed by Heather Cole at our weekly meeting on Monday 10th. of February, we were given a history of the success of The Northern Guide—a local area magazine which is published for the benefit of Wanneroo and Joondalup citizens and businesses.

Published quarterly - and hand delivered—there are between 12 and 16 pages of information on local businesses and services, ranging from window cleaning to corporate apparel embroidery; from groceries to coffee lounges; and from medical services to child education programs! Information that is free!

There was even a page on local spiders—some of which can bite and poison—and on First Aid measures, making the Guide a good and useful one.
