Rotary Youth Exchange Australia

Rotary Youth Exchange Australia provides an opportunity of a lifetime for Australian high school students to live and study abroad. Imagine spending up to 12 months living and studying in a foreign country, learning a lot about yourself and the culture of your adopted host families.

Yes, your year away will enable you to see our world in a totally new light, thanks to your experience with other languages, cultures and histories—and meeting many amazing people, who can also become good friends for life.

Last week our Club— with the help of other Rotarians and many good friends in W.A. and Timor Leste—shipped the 37th. Container of donated humanitarian goods to Dili, all of which are to be distributed to those in genuine need.

THIS MONTH OUR AREA OF FOCUS

IS:

WATER

AND

SANITATION
