A Message from our RI President, Mark Daniel Moroney, for 2020.

“Happy 115th birthday, fellow Rotarians and members of the family of Rotary!

Much has changed in the world since 1905. Then, the global population was roughly 1.7 billion. Today, it is 7.7 billion. There were 5 telephones per 100 people in the United States 115 years ago. In 2020, it is estimated that 96 percent of the U.S. population has a cellphone — and both China and India have more than a billion cellphones in use.

In the 115 years since Rotary was founded, seemingly everything has changed except Rotary values. We began, and remain, committed to fellowship, integrity, diversity, service, and leadership. While our Service Above Self motto dates to 1911, the ethos behind those words had already been ingrained by Rotary's founders” (please visit <https://my.rotary.org/en/news-media/office-president/presidential-message>)

Our Peace and Conflict Resolution focus is needed!

Conflict and violence displaced more than 68 million people in the past year, and half of those are children.

Through our service projects, peace fellowships, and scholarships, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.
