PRESIDENT'S REPORT 2012-2013

My year as President of the Rotary Club of Numurkah has been a busy but enjoyable and very rewarding experience. As a fairly new member of the club, I felt very "green" embarking on the presidency role. However, I felt confident that I would complete the year successfully as I had an experienced and very supportive Board and Committee members behind me. Our Assistant Governor Bernie Bott has also been very approachable, positive and helpful. Thank you.

The theme chosen by Tsakuji Tanaka, President of Rotary International, for this Rotary year was "Peace through Service." Peace can mean many things. No war, no violence, no fear. It can mean freedom, security, confidence in the future, happiness and inner calm. Through Rotary we can help worldwide with basic needs such as healthcare, adequate food, sanitation, education, friendship, tolerance and understanding. As a Rotary Club we are proud to have received one of eight President Citations, awarded by our RI President, in our district. This year we strengthened our club by welcoming new members, conducted a club assessment program and acted upon it. We increased our service by encouraging peace and supporting literacy, youth programs and maternal health. We enhanced our public image with regular articles in the local paper and the purchase of new Rotary flags, jackets, town signs and we spray painted the well used BBQ.

Induction of Chris Sutton
with DG John Gatt,
President Kate and Eileen
Gatt.

Two highlights for me this year in relation to the theme are the successful Rotary Youth Exchange of Emily Trewin to Taiwan for 12 months this January. We look forward to receiving Allen (Shu-Hao Khu) from Taiwan in July for 12 months which, in a small way, will bring our countries closer together. By focusing on youth in

exchanges, scholarships, academic awards and overseas child sponsorship, we can build the future of Rotary and work towards a peaceful world. Emily will return with a broader sense of the world, confidence, appreciate unity and a better understanding between two very different nations. We also held a successful Community Dinner 12 months after the devastating March 2012 flood. It was called "Numurkah Bounces Back" and it united many local community members and organisations. Fellowship, unity and celebration of progress are important aspects of Peace.

Thank you to my Board for all your support during the year. Jeff Stanyer, my hard working secretary has kept me "in line" and always answered my phone calls and queries with prompt action and advice. Adrian has worked very professionally as the new Rotary Treasurer. His lovely wife, Janine deserves special thanks for all her time in ensuring Adrian was able to make it to nearly all club meetings, and supporting him with the bookwork. Her time has been invaluable and much appreciated- thank you.

Jacque has helped me with her great experience in an administration role. Terry, as membership director, has encouraged our three new members and made them feel welcomed as Rotarians. Frank has been busy with his community service and service project roles, with many events coordinated and run successfully. Allen Canobie has done a marvellous job as the PR director, with many articles in the Numurkah Leader, showing our club at work supporting the local community. He also coordinated the Guest Speaker/Chair role in an excellent, orderly manner. This has resulted in a broad and interesting range of inspiring speakers.

Other directors that need special mention are Ernest as Vocational director, June as New Generations, Lorraine who coordinated the Portsea trip in January, and Linder and Ian, both whom worked tirelessly in the catering department. Jeff Buzza, as Sergeant of Arms completed a great year of making me start meetings on time, and finishing with an excellent, very humorous fine session at the meeting's close. He also was the Beacon link with NSC. Well done and thank you!

I am also proud of our nomination of Jacque Phillips, a Rotarian, at the Moira Shire National Women's Day Event. Although she did not receive the award, the Rotary Club and the Numurkah Community are very proud of her efforts as CEO of NDHS. She went above and beyond her executive role and, with a strong Board behind her, she has secured the necessary funding for a new hospital for the community- a vital community asset.

Thank you to ALL members and hardworking partners of the Rotary Club of Numurkah for supporting me during my Year as President. You have all been very committed to Rotary, encouraging and I value your friendships. I wish to thank Geoff Holmes for taking on the role as President 2013-2014 and wish him the very best for a productive year of 'service above self' and continued fun and fellowship.

Kate Hodge

President

Community Service Directors Report

The 2012/13 Rotary year has been a great experience with Rotarian Kate Hodge at the helm and some energetic new members joining the club. A long planned walking track along the Broken Creek was finally achieved thanks especially to Geoff Holmes, Alby Barton and Robbie Malcolm and the cooperation of the Numurkah Golf and Bowls Club and the Operations Department at Moira Shire who provided some of the granitic sand used in the job. The club was able to provide \$4000 to the Wunghnu Recreation Reserve to replace flood damaged fencing from money donated by the Rotary Club of Frankston which was most appreciated by that community.

Thanks to the efforts of Marjorie Porter we obtained a grant of \$400 to replace trees swept away by the March flood event and these were planted ,mulched and tree guarded by club members in September/October. To give them a good start the trees were watered once a week for three months and were doing well until Numurkah's cursed Corellas destroyed the plantation in March.

In February this year we had a very successful BBQ day at Bunnings with good club support. March was very full on with catering for events such as the Nathalia Show and Shine, the CMCV event at Numurkah Showground. The club also auspiced the visit by the Australian Welsh Male Choir attended by 450 locals. After a tornado swept through Koonoomoo club members under the leadership of Rotarian Lorraine Greenwood conducted a BBQ at the shop at Koonoomoo to raise funds for the community. On top of this the club also ran one of its most successful Art and Craft shows ever, so well done everyone.

In April 17 club members attended the 50th anniversary of the Rotary Club of Nathalia a club that despite only having about 15 members delivers an enormous benefit to Nathalia. Together with Nathalia we managed to put together several truck loads of hay to farmers affected by fire earlier this year. The Combined Services Dinner in May went well with Don Kilgour as guest speaker. Don has been asked to be the Patron of the Rotary Club of Numurkah's Dental Clinic Appeal which is hoped will commence shortly. President Kate has been working with the Numurkah Golf and Bowls Club on a program to give some people in need a much needed short holiday at Numurkah. The club is also supporting a locally initiated "Clean Up Numurkah Day" by providing the BBQ, which has been recently repainted.

Throughout the year club members have continued to support the weekly Newman Square BBQ of People Supporting People which has been a good example of service in action. While I was away the club was defeated in the Les Lawrence Shield by Nathalia, unfortunately the shield was locked up in my office and due to my long term failure at achieving any sporting feat including our previous win (as I was filling in on Nathalia's team) I have decide to keep the shield which looks very impressive on my otherwise bare wall.

Frank Malcolm

VOCATIONAL SERVICE REPORT

ROTARY YEAR 2012-2013

Most aspects of vocational service that have received attention this Rotary year have been established at club level for many years.

These include the 'three minute' presentations by weekly dinner chairmen as they highlight "What's new or interesting in my vocation". Rotarians appreciate such insights as they are made aware of distinctive features and current developments in a range of vocations and industries.

Guest speakers usually refer to their vocations and their progress in their particular occupation, often illustrating interesting features and challenges associated with their world of work, thus stimulating and widening the interest and knowledge of members.

The Four Way Test continues to be given prominence - meetings closing with an affirmation of the test.

Again, the club is delighted to recognise a person who has made an outstanding contribution to this community through their vocation. The granting of the 'Jack Duncan Memorial Vocational Service Award' acknowledges excellence in their vocation as well as their community contribution – the awardee has truly exemplified the ideal of vocational service.

The National Youth Science Forum 2012 attracted an excellent applicant from St. Mary of the Angels College, Nathalia, who was selected at District interviews. Lachlan Mundy proved an outstanding participant in the two-week program held in January 2012 for science students going on to Year 12. Rotarians enjoyed his enthusiastic and comprehensive presentation to the club during which he expressed his appreciation of our support.

Two awards were presented at final assembly to Year 11 students at Numurkah Secondary College to encourage them in their further studies and nine district primary schools each received \$100 individual student achievement awards.

This club supported the Beacon Foundation program involving the Year 10 students at Numurkah Secondary College. This program is a partnership between the school, Beacon Foundation and local business. It aims to help, inspire and motivate students either to stay at school, or choose a positive pathway that enables successful transition to employment, further education and training. Rotarian Jeff Buzza was heavily involved as 'business champion' for this project.

Club members participated in various Beacon events that include charter signing, planning meetings, mock interviews and the 'polish' workshop. The school received three national Beacon school awards for 2012 – an outstanding achievement! I would urge the club to continue to support this worthwhile project.

Ernest Jones
Vocational Service Director

NEW GENERATIONS REPORT 2012 - 2013

Realising that the Youth of our town are the future leaders of our town and country, The Rotary Club of Numurkah try to be heavily involved with projects that can advance the young people in their learning curve both nationally and internationally.

This year we have an outgoing Exchange Student in Taiwan, Emily Trewin, who is learning Mandarin as her second language. Emily is finding exchange to be a huge learning curve both culturally and personally. Being a tall blonde white person, Emily now finds the stares of the Taiwan people humorous, but found it very daunting to begin with. Although not being able to converse with her host Mum, Emily has bonded very well with her, and they seem to understand each other quite well, also the other members of her first host family.

We also have an incoming 16 year old student from Taiwan named Shu-Hao KU who prefers to be called Allen. Allen will be arriving early in July and we look forward to meeting him and showing him our country.

Lachlan Andrew has been on the Victorian Science Experience and found it most rewarding.

Jade Connolly went on the Murray Darling Fresh Water Research Experience and learned how to interact with others and experiment with fresh water species, Jade was very pleased with her experience.

Lachlan Mundy was fortunate to be chosen among the 430 students picked from all over Australia to attend the National Youth Summer Science Program (NYSF) in Canberra. This trip gave Lachlan a chance to meet and interact with others who were like minded to himself, having Science as a priority in their thinking to advance themselves in the years ahead. Lachlan made some life long friendships. The Lecturers and personnel who enabled them to develop networking, and science projects, together with lots of bonding and heaps of fun made for an experience he will treasure for the rest of his life.

We have just recently interviewed Jade Connolly and forwarded her application on to the next level to see if she will be accepted in next years intake to the NYSF program in Canberra, we wish Jade well.

The Portsea Camp Project was once again a roaring success, 19 students in all were able to attend in January, and all came home with the same view, that it was a wonderful experience.

Our Rotary Club again gave two Scholarship Awards for two Numurkah Secondary College Students and an Achievement/Encouragement Award to each of the 9 Primary Schools in our District.

The interaction with the Numurkah Secondary College has once again been encouraging through the Beacon Program, there was a Roast a Rotarian day which we hope helped the students who participated. In July there is to be a Breakfast Meeting when the students will supply the Breakfast and serve etc.

All in all a very busy and enjoyable Youth combined with Rotarians year.

June Hewson
New Generations Director 2012 - 2013

Emily heading for Taiwan

THE ROTARY FOUNDATION 2012 - 2013

The Rotary foundation is one of the largest privately funded humanitarian and educational foundations in the world. Being Rotary's own charitable fund it endeavours to further understanding and friendly relations amongst the peoples of the world by funding Humanitarian programs which improve quality of life, educational grants for teachers, university students and international exchanges of business and professional people, and Polio Plus - we are so close to eradicating this terrible disease and yet so far, maybe this year. Our club always contributes to this important work and also the Every Rotarian Every Year and other projects.

There are many programs available to support and each club or district have their own special projects which they support. Some of these programs are:-

- World Peace and Ambassadorial Scholarships
- Group Study Exchange
- Alumni
- Matching Grants
- District Simplified Grants
- Every Rotarian Every Year
- 3H Grants (Health, Hunger & Humanity)
- Polio Plus

We as a Club continue to strongly support the work of The Foundation knowing that each Rotarian has the power to change and empower lives and bring peace into a troubled world.

June Hewson

Administration Director's Report 2012-13

The Rotary Club of Numurkah Inc. works extremely well as a team to achieve our purpose and goals. This is demonstrated in many ways as Rotarians participate in a range of club activities and events to benefit our club and hence the broader Rotary community locally and internationally. Many work behind the scenes preparing for weekly meetings, ensuring our usual routine is maintained, providing good communication through email, newsletter, flyers, director and member updates at meetings and following up with those who were unable to attend. This has been particularly noted by our members who have been unwell throughout the year.

We have been privileged to hear from some outstanding speakers throughout the year, a certain feature of our club is the commitment members have to attract interesting and diverse speakers to broaden our knowledge and understanding of the issues within our community. The weekly talks by the Chair are always interesting and a great way for us to keep up with the busy lives we all lead.

Attendance at our meetings does vary but overall we continue to see members make the necessary efforts to attend weekly. There are always willing helpers and hands at our events and working bees ensuring the workload is spread amongst many.

President Kate has kept the meetings interesting providing very informative reports each week. This certainly keeps members informed and gives the opportunity for new and older members to continually learn of the happenings with Rotary both locally and more broadly. We have seen those in office and members attend conferences, leadership courses and education days. There is always a sense of fun and friendship within our meetings ensuring fellowship is enjoyed by all.

We warmly welcome our new members to the club and thank you for your immediate involvement in the club and administration tasks.

I wish Geoff and the Board an enjoyable year ahead and am sure will see continued success. I encourage all members to continue your support to those in the executive and Board positions for what will be another busy year for the Rotary Club of Numurkah.

Jacque Phillips

Club Administration

33rd ANNUAL ART & CRAFT EXHIBITION

The Rotary Club of Numurkah 33rd Annual Art & Craft Exhibition held 8th-11th March in the Numurkah Town Hall, was an outstanding success.

Record entries were received from exhibitors, 322 art entries, 37 photographic and 102 craft entries, making this the biggest exhibition staged by the Rotary Club.

Record art sales of 35, (more than 10% of entries is deemed a very successful, exhibition wide), were made during the exhibition,

The official opening on the Friday evening was well attended, with a wine and cheese tasting courtesy Monichino Wines and Locheilan Farm House Cheese. Alistair Davey provided entertainment on the piano.

Cr Marie Martin opened the exhibition after Kate Hodge, president of the Rotary Club welcomed those in attendance.

Art judge, Michael Ashby then commented on the exhibition and many of the paintings on display, before announcing the winning entries.

"Best in Show" a \$1500 award was won by Jan Long from Eagle Point with her entry titled "Sunflowers".

"Runner-Up" a \$500 award was awarded to Geoff Paynter from Bendigo with "One Year On".

Highly Commended Watercolour \$200 award was won by Ross Patterson from Kialla

Highly Commended Oil \$200 Award was given to Do Noble from Doveton

Highly Commended Pastel \$200 Award was awarded to Nancy Thurlby from Gen Iris.

Highly Commended Regional Artist Award \$200 was won by Bev Williams, Numurkah \$100

The Moira Shire Flood Recovery Office photos screened throughout the weekend created much interest, with many patrons always viewing the presentation during the weekend.

The Rotary Club were pleased with the attendance and record sales throughout the weekend and were encouraged by the many positive comments and feedback they received about the works on display and the manner they were displayed.

The Committee members worked tirelessly to bring the exhibition to fruition and deserve well earned praise. Special thanks to Fiona Seager arte entry secretary, Jennifer Routley, Margaret Canobie and Pam Brennan craft entry secretaries and Terry Brennan sponsorship coordinator, Geoff Holmes treasurer and Pam Malcolm for the catering organisation.

The committee were once again delighted with the full support of the club members and their partners, without this support the exhibition would not be possible.

Lou Hamon

Chairman

Art & Craft Committee.

2013 Rotary Environmental and Heritage Trip Report

This year the annual Numurkah Rotary 4wd trip was held from the 5th to the 7th of April, with the camp based at Bindaree Hut on the Howqua River near Mansfield.

After meeting at Merrijig on Friday morning, an enthusiastic group of 55 people including 7 Rotarians and their partners and 7 children travelling in 25 vehicles made their way to Bluff hut via Sheeppark Flat for lunch. Travelling with such a large group is not without its challenges with parking space at the hut at a premium.

After viewing the hut (rebuilt after the 2006 bushfires) and the surrounding mountains back towards Mt Buller, we set off back down the 16 mile jeep track and followed the Howqua River to set up camp spot at Bindaree Hut.

This year we were able to use the club's new trailer to bring in a lot of the gear and supplies to cater for the group, and it proved to be more than adequate for the task.

With the help of many willing volunteers we quickly set up the camp site and prepared the evening meal. Around the campfire that night this year's new participants quickly got to meet the regular supporters of our previous trips.

On Saturday a drive was organised going up and over Mt Stirling via the Clear Hills 4wd track and visiting the Bindaree Falls and Craig's Hut on the way, returning to the camp mid-afternoon to be served homemade (at the camp) pumpkin soup. In the meantime the "caterers" were cooking the "pig on the spit".

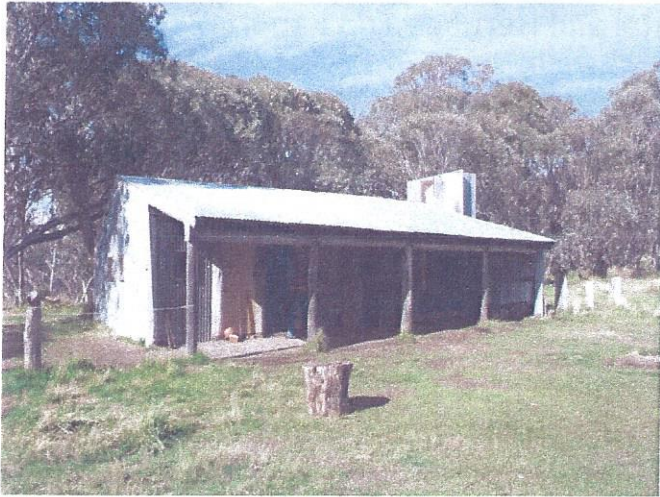

After gathering around the campfire following the roast dinner we were all entertained by David Geddes with bush poetry, stories and jokes.

The next day we journeyed to the top of Mt Buller for a barbecue lunch after which people made their way home.

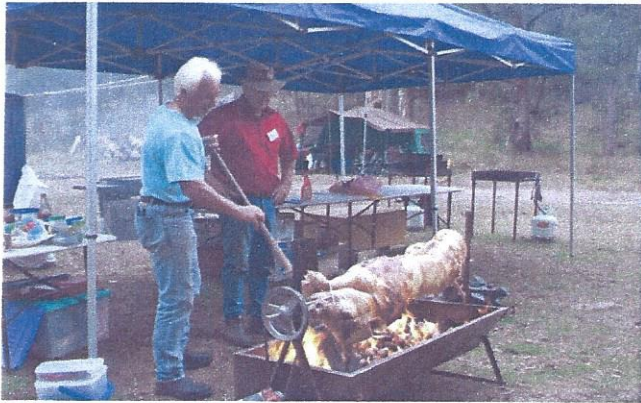

The 4wd drive weekend this year raised approx \$4500 for the club, with the ladies of Rotary making a major contribution with the catering arrangements. It is an event which is supported by many regular people who look forward to this annual trip.

ATTENDANCE REPORT

4th June 2012 to 23rd June 2013

Average attendance at meetings for 2012-2013 was a respectable **77.36%**.

No one obtained 100% attendance for all meetings for the year but four members were extremely close only missing one meeting giving them a Bradman like percentage of **97.7%**. Congratulation to;

- Lorraine Greenwood
- Bill & June Hewson
- Geoff Holmes

Jeff Stanyer closely followed behind only missing two meetings: **95.4%**, with the typically well dressed Ernest Jones clipping at his heels a further two meetings behind: **90.9%**. Seven other members exceeded **80%**.

Transfer and work commitments for Kim Benton and Ravi Maharaj reduced our membership by two however excellent recruiting resulted in the induction of the following four new members;

- Chris Sutton
- Joan Barker
- Jason & Julie Andrew

Well done to all members with a total of **54 Make-Ups** displaying a genuine commitment to our club projects and your willingness to visit clubs both locally and interstate while away.
