

Chiang Mai International Rotary Club

Thank you for your interest in supporting the Chiang Mai International Rotary Club (CMIRC) through our website and bulletin advertising program.

Benefit of Targeted Audience:

Chiang Mai International Rotary Club is the only Rotary Club in Northern Thailand to conduct all of our business in the English Language. This plus the fact that we are very careful to keep our website up to date means that Rotarians from around the world often visit our website as they prepare to visit Chiang Mai. Many will be interested in your high-quality product and service.

Our monthly bulletin goes to over 700 people each month. These are people who are interested in Chiang Mai International Rotary Club and our community. These readers may well be looking for exactly the service you provide.

How it works:

The website displays sponsor ads. Ads appear in a random order. On the main page ads are currently in the left side. On other pages they appear in the right-hand side. These ads also appear in the monthly bulletin. When an ad is clicked the user is sent to the sponsor's website or Facebook page.

All ads are the same size. Currently 180 px x 60 px. They appear in a random order.

Contributions:

Advertising contributions from our sponsors go to defer the expense of maintaining www.cmirotary.org. For the Rotary Years 2017 – 2018 and 2018-2019. The contributions are:

Six Month advertising fee: 6,500 THB

One Year advertising fee: 12,000 THB

Two Year advertising fee: 23,000 THB

Restrictions:
