6. **Give a man a fish and feed him, Teach a man to fish and feed him for Life!**

Not one but two, yes, I said two custom crafted one of a kind hand built fishing rods. Combo number one is a spinning rod and reel built for the pan fisherman in true Rotary fashion sporting the Rotary colors. Built on a MHK Elite Pro two piece 7' light 2 – 6 weight blank equipped with CRB-LZR guides. Custom turned wooden grips for that sensitive feel for when that crappie comes a calling or as a fisherman would say “bumping”. Also included is a Pflueger Presidential Series PRESS30 spinning reel. **Combo No.2** is a dedication to our beloved OHIO STATE BUCKEYES!!! Take a good look at this rod and reel and it speaks for itself. Built on a PacBay Traditions II Series Medium / Heavy 6' 6” blank with CRB guides and custom made cork grips. This pole is built with the bass fisherman in mind but would serve well for going after the ever elusive Lake Erie Walleye!! The combo comes with a KastKing Royal Legend spinning reel. These two rods were hand built by custom rod builder and Rotarian John Schwartz, and he knows your fishing buddies will be jealous when they see you reeling in the big one with your one of a kind rods!!!!

Eight Circle Drive LLC, John and Janel Schwartz

7. **You'll Be Hooked on Reel Easy Fishing!**

26. **ATF... Yes Please!!!**

Enjoy your brand new Gen 5 Glock 17 pistol uniquely customized by the experts at Redbird Armory. Redbird Armory has pulled out all the stops on this amazing piece! Features such as the custom slide machining, custom Cerakote finish, custom grip stippling, Trijicon RMR, Surefire weapon light, and Timney trigger. All finely tuned and upgraded parts from the top leaders in the firearms industry bring the retail value of this pistol alone to over \$3800. A high quality firearm such as this should only be paired with the best training you can find. The Redbird armory is including a 2 hour private lesson to ensure you are ready to safely and accurately carry your new pistol. Once you’re done at the range, why not kick back with a nice glass of Angel’s Envy Rye and a good Cigar from Camacho. **Note:** Purchaser must be able to pass a federal NICS background check provided by an FFL of their choosing prior to taking possession of the Glock Pistol.

Matt Lomakin – Redbird Armory

27. **Home, Home on the gun Range!!**

Wow, enjoy your custom built Mark 12 Mod 0 Special Purpose AR15 manufactured and built right here in New Bremen by PRI. PRI has customized this rifle with all it's top quality parts they manufacture and added some great accessory parts to make this a high end build perfect for your collection. This AR15 is coated in a custom FDE Cerakote finish and comes with a matched bolt and carrier to go with the 1-8 twist Bergara stainless steel barrel twist. The forearm is carbon fiber with offsetting black rails. The carbon fiber forearm provides light weight and high strength to the rifle. When paired with the full-length top rail, it makes for a very rigid platform for mounting optics. This rifle also has a PRI patented Gas Buster Charging handle that is a safety feature that redirects the gases and dirt away from the shooters face as the rifle cycles. The PRI lower has been upgraded with a Velocity trigger with a 3lb. pull. This item comes with a 2 hour private rifle class from our friends at Redbird Armroy to help ensure you are ready to safely and accurately operate this amazing piece!

**Note:** Winner must be able to pass a federal NICS background check provided by an FFL of their choosing prior to taking possession of the rifle.
