HELPING SUPPORT
COMMUNITY PROJECTS

ROTARY CLUB OF NEW BREMEN NEW KNOXVILLE FOUNDATION, INC.

The Rotary Club of New Bremen New Knoxville Foundation, Inc. was founded on October 26, 1989. The primary interest of our Rotary Club is serving the needs of the New Bremen and New Knoxville area through the promotion of good health, better education, and community improvement.

FOUNDATION FUNDING

The most important fund-raising activity for our Foundation is this Sesquiannual Charity Auction Banquet which is sponsored by the New Bremen New Knoxville Rotary. This Auction is where the majority of our funds are generated which help us to support our numerous projects each year. Since our first auction in 1990, our club's auctions have raised over \$1,000,000 that we have used to fund countless projects and causes. Other sources of our funding come from the Blood Screening Clinic, donations from area businesses, individual Rotarians, and other various club activities.

TAX DEDUCTIBLE (FEDERAL TAX ID# 34-1698322)

The Rotary Club of New Bremen New Knoxville Foundation, Inc. is organized in accordance with the Internal Revenue Code 501c3 as a tax deductible, charitable foundation. As such, donations and gifts, as well as purchases at this annual auction, may receive favorable personal and business tax deduction status.

THE OBJECT OF ROTARY

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST – The development and acquaintance as an opportunity for service.

SECOND – High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of their occupation as an opportunity to serve society;

THIRD – The application of the ideal of services by every Rotarian to their personal, business, and community life;

FOURTH – The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.
