## **Blood Screening Recap**

We are very pleased to have completed our 14<sup>th</sup> year of Rotary Blood Screenings. The screenings were held on February 19<sup>th</sup> and March 5<sup>th</sup> at New Knoxville and New Bremen Schools. A total of 403 tests were completed raising **\$4,655** for the club. Attached is a list of surveys that were turned in for everyone's review. We would like to thank everyone that assisted in making this years event successful. A BIG Thank You to both schools for the use of their facilities and Elmwood who donated the coffee for the event.

Thanks,

Lesia
