## **A Note From Your Treasurer, Steve**

We are coming up quickly on the new year and I'd like to make a suggestion to our members. Dues are and will continue to be billed quarterly. Thank you all for keeping up on your payments so diligently. There are a handful of members that pay their dues in advance, some for the entire year. This makes my paperwork a bit easier and they don't need to make any additional payments throughout the year. Please consider that as an option. If you want to pay dues in advance it's a great way to reduce time and paperwork.

## **Rotary Foundation Donation Matching Points Opportunity**

Hopefully you all receive and read the newsletter from our District Governor Diana Savage. A couple of weeks ago she sent one about a limited time Foundation Match Program through the district. I know they just had a big campaign for the Polio fund, so if you missed that or would like to donate again to get matching points toward your Paul Harris award, this is a great opportunity.

The district will match any donation between \$100 and \$1000 in Foundation points. You can designate these points for yourself or someone else if you'd like.

If you'd like to participate, write a check to "The Rotary Foundation" (not to our club) and give it to me. I will fill out the paperwork and send it on to the district for their match.

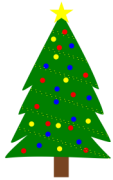

If you have any question, please let me know.

Steve
