Dear Rotary Club Members,

It is a wonderful time to be a Rotarian and to be a Changemaker! I am honored to serve as your District Governor! The best part of being a District Governor is visiting each of our Clubs in District 6600 and meeting our members. What pride and enthusiasm I see as I visit around our wonderful District! I am so thankful for our members and yet know that we need to grow our membership, and re-engage, refresh, and renew.

This month we aggressively pursue Rotary Membership and New Club Development. Do you think we could have two new satellite Clubs formed this month? Could we make a commitment to different types of membership, including flex membership or corporate membership? Could we meet differently each month, with more flexibility? Remember if it was not working 16 months ago, now is the time to be a Changemaker. You have that hall pass this year to do something totally different!

Let's honor RI President Shekhar's request for everyone to bring one! Could we share with someone the 10 reasons to join a Rotary Club in District 6600?

1. The opportunity to serve both locally and globally. The best place to start is to review our seven Areas of Focus –

- Protecting our Environment
- Growing our Local Economies
- Supporting Education
- Saving Mothers and Children
- Providing Clean Water Sanitation and Hygiene
- Fighting Disease
- Promoting Peace.

2. Great professional networking! Promote yourself, promote your business, and promote your interests. Rotary is the best service Club in the world!
3. Personal Growth and Development! Our Rotary International learning centers are excellent for training leaders.
4. Friendship and fellowship! We are part of more than 35,000 Rotary Clubs in 200 countries! We have friends and family all over the world!
5. We care are about diversity, equity, and inclusiveness. We promote peace, goodwill and understanding in all that we do. We have tolerance.
6. Scholarships, charitable giving, and fundraising to help others! We create opportunity and give gifts.
7. We create service projects to help many locally or globally through grants. This year we are challenged to host at least one day of Rotary service.
8. Rotarians practice the Four Way Test as a measurement in all we think, say and do, to encourage all to have high ethical standards, to hold each of us accountable, and demonstrate respect for all.
9. Rotary makes us better humans, aware of things that are happening in our communities and in the world around us.
10. We like to party and celebrate together! Each year we hold a district conference to highlight all the wonderful things that were accomplished in just one year. We share our friendship and fellowship.

I hope you agree with me it is time to grow our membership as we serve to change lives. We are emerging from a very difficult and challenging time. Membership is our greatest asset: it is a gift, it is an honor, it is a privilege!

Find your special place in Rotary ... as we refresh, renew and inspire change for the future.

**Membership**  
is our greatest  
asset: it is a gift,  
it is an honor,  
it is a privilege!

*Mary*

Mary L AufdenKampe  
District Governor 2021-2022

# Let's Beat COVID-19!

Disease prevention is one of Rotary's areas of focus. To that end, I respectfully request every District 6600 Rotarian consider immunization.

As an incentive, a fellow Rotarian in District 6600 will donate funds to each Club based on their Club's vaccination rate as of September 30, 2021.

For example: The individual club will receive \$100 times the number of members vaccinated. That amount is multiplied by the percentage of vaccinated members in the Club's total membership.

If there are 50 Club members and 32 get vaccinated, the 32 vaccinated members represent 64% of the Club.

$\$100 \times \text{vaccinated members} \times \text{vaccination rate} =$   
 $\$100 \times 32 \times .64 = \$2,048$

**\$100 is the incentive offered and 32 is the number of members who got vaccinated.**

The amount of \$2,048 will be donated to Club's Foundation or can be used by the Club for their Rotary grants. The 4-Way Test will apply.

Mary AufdenKampe, District Governor

$$\begin{array}{rcl} \$100.00 & & \\ \times 32 & \text{members} & \\ & \text{vaccinated} & \\ \times .64 & \text{percentage} & \\ & \text{of Club} & \\ & \text{vaccinated} & \\ = & & \\ \$2048 & \text{awarded} & \\ & \text{to the Club} & \end{array}$$

**Rotary**  
District 6600

**COVID-19 Vaccination Record Card**

Please keep this record card, which includes medical information about the vaccines you have received.

Last Name		First Name	
Date of birth		Patient number	
Vaccine	Product Name/Manufacturer	Dose	
1 <sup>st</sup> Dose COVID-19	Lot Number	mm	
		m	

# Win Me!

MUSTANG  
**mach-e**

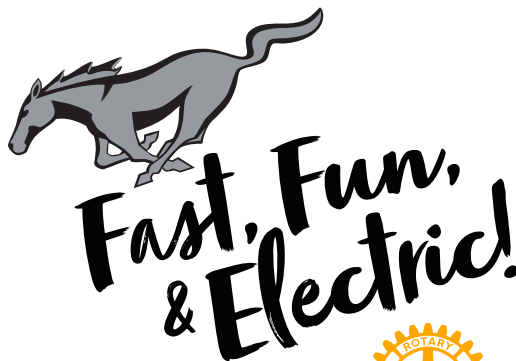

**2022 FORD MUSTANG  
MACH-E SUV AWD**

**PURCHASE RAFFLE TICKETS**

**Clubs in District 6600** will compete to sell tickets, however winning Club is determined by the per capita tickets sold, and will be reduced proportionately if final amount raised is less than \$100,000. Club contest is based on **ONLY** if we reach \$100,000 in sold tickets for the Rotary International Foundation as we support the Seven Areas of Focus and the Environment!

\*Some restrictions apply. For contest and raffle rules, see [www.rotarydistrict6600.org/raffle/](http://www.rotarydistrict6600.org/raffle/)

## Car Raffle

**to Support the Environment and The Rotary Foundation of Rotary International**

**Rotary**  
District 6600

## THE CAR

- 2022 Mustang Mach-E SUV AWD Electric Car
- Premium Package includes extended battery

- Tickets available online or in paper format
- Drawing will be Saturday, May 14, 2022 at District Conference in Geneva on the Lake, Ohio
- No cash value; no cash paid out in lieu of vehicle
- Winner need not be present to win
- Winner to pay all applicable fees, taxes, registration, and transportation expenses if outside delivery area which is Sheffield Lake, Ohio.

## Committee News

This Month's Focus:

# Membership

### Membership Presentations are available from Membership Chair John Kurfess

The district membership committee, with District Governor Mary's support, suggests two "guest day" Club presentations be made with an emphasis on membership.

John Kurfess, membership chair, has prepared two complete "from the podium" presentations that are available upon request.

JOHN KURFESS

#### The first:

#### Rotary's Hidden Influence

Seven organizations, plus one that got their start because of Rotary.

#### The second:

**District 6600's International Influence** with emphasis on MESA (Medical and Equipment Supplies Abroad Foundation, Inc.)

My thoughts are to tell the storied accomplishments of Rotary, encouraging both retention and new members.

You or your assignee may make the presentation. The presentations are available on Rotary District 6600's website membership page at [Rotarydistrict6600.org](http://Rotarydistrict6600.org), or request copies of presentation via email at [jkurfess@perrysburg.org](mailto:jkurfess@perrysburg.org).

#### Any questions?

Call John at 419-345-6533.

**Each One  
Bring One**

### From Membership Assistant Coordinator, Zone 30, Maris Brenner

As kids, many of us were introduced to the three 'R's

**'Reading'**  
**'Riting'**  
**'Rithmetic'.**

You cannot get more basic than that. This year as we return to our Rotary roots of meetings, networking, fellowship, and service...Back To Basics, it may be as simple as the Rotary R's.

Think about it, in 2021-2022 coming out of the Pandemic and navigating through uncertainty... getting back to simple basics might just be the easiest and most important path our clubs take. Here are just a few of the Rotary 'R's'

**Reconnect** – with our missing member.

**Recover** – a few lost connections

**Renew** – our commitments to our Club and community

**Recruit** – to keep us vibrant and growing

**Recharge** – our members by engaging them

**Replay** – those traditions we have missed

**Re-imagine** – how we meet and what our members want

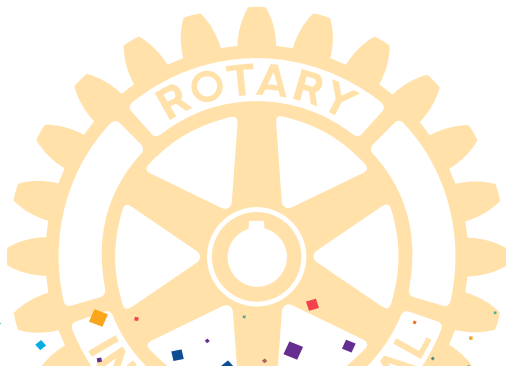

**Re-emerge** – with sharing of stories and news to our neighbors.

Or, perhaps, getting back to Rotary Basics is as simple as taking ... **Step ONE!**

**Each One, Bring One.**

MARIS BRENNER

Rotary International President 2021-2022 Shekhar Mehta welcomed us all to the new Rotary year and the year, as he puts it... of changemakers. In his words —“ a year when you will be called upon to Serve to Change Lives and achieve big dreams. Because of your passion for achieving great things, we will grow more and do more.”

Shekhar's clear challenge to us all is to expand our reach through growing membership and our impact in our communities. **Each One, Bring One.**

### How Can we help you?

In my new role as Zone 30 (ARC) Area Rotary Coordinator for Districts 6600, 6630, and 6650, I am here along with our District Membership Chair, PDG John Kurfess and our Committee Members (John E. Hill and John Ficorilli) to work with District 6600 Club Leaders, Membership Chairs and Membership Champions on taking on the challenge.

Each One, Bring One. I, we, can visit President Councils, do Zoom updates, or just be there to provide links to learning materials or help clubs restart and rethink options ... and act to grow their clubs. Engaging and Retaining our Members is critical!

I am also committed to helping with engaging your existing members. Retaining ONE is so very important. Following are a few of my favorite tools and links that Rotary has put together to help us be successful this year and beyond. But before you take a look...

### How will you Add One?

### How will you Engage ONE?

If each Board Member of a Club brought in ONE new member, it might be contagious. If each Past President of our Clubs contacted a member that has dropped out this past year, you might find out some changes you need to do with programs or small tweaks that allow you to recover ONE member. Just one step at a time will add up.

Check [RotaryDistrict6600.org](http://RotaryDistrict6600.org) for more information on membership and engagement.

## Innovative Club Development

### From Lee Martin, Chair

Like all Rotary Districts, District 6600 is very interested in growing our membership. One way to do that is to bring new members into existing Clubs. A second way is to look around the district and try to identify areas where a new Club might blossom. That's what New Club Development is all about.

LEE MARTIN

Our DG Mary AufdenKampe is very supportive as are our Zone leaders. They have provided Zone data which helps us to identify areas where the potential for a new Club exists. AG Renee Isaac has done a wonderful job in shepherding an effort in Edgerton, Ohio where a Rotary Club dissolved a few years ago.

She is working very successfully in helping to re-establish a Club there. We also have people working hard in Clyde where there has never been a Rotary Club and we have a Rotarian from another Club working to identify people who might be supportive in re-establishing a Club in Attica.

Finally, doing this successfully will require all of us, so if any Assistant Governors or individual Rotarians have ideas and suggestions, we are always open to hearing them.

For more information, [click here.](#)

# Mary @ ...

Here are just a few of the clubs DG Mary AufdenKampe visited during July and early August.

## Huron

DG Mary inducted Amy Tulupan Roldan for her second term as President of the Rotary Club of Huron.

## Fremont

DG Mary and Fremont President Derek Sprouse.

## Grand Lake

DG Mary visits Grand Lake Rotary Club on July 29. Standing next Mary is Club president, Andrew Kremer, Travis Elsass, Assistant District Governor, and PDG Gary Newton (far left).

## New Bremen – New Knoxville

DG Mary was treated by Immediate Past President Officer Skinner to a private town tour showcasing New Bremen/ New Knoxville in an official police vehicle.

## St. Marys

DG Mary and St Marys Club President Michael Lee.

## Celina

DG Mary and Celina Rotary President Brian Knappe.

# District Activities

## Elyria Rotary Club Volunteer Day for MESA

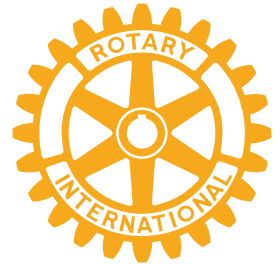

Members of Elyria Rotary and other clubs around the district met at Golden Acres and loaded several truck loads of life-saving medical equipment. The equipment was moved to MESA's headquarters in Fostoria to be sent out to countries in need.

# Rotary

**PEOPLE of ACTION**

## MESA BIKE TOUR

**The 2021 MESA Bike Tour will be held  
Saturday, September 18 through  
Wednesday, September 22, 2021.**

The Tour will start on Saturday with a "Kick-Off" luncheon at Noon at 50 North, 330 East Melrose Avenue, Findlay, sponsored by the Findlay and Findlay Flag City Rotary Clubs. Bikers from District 6600 will join to raise funds for our International Project-MESA (Medical Equipment and Supplies Abroad Foundation, Inc.). Rotarians from District 6600 operate a warehouse at 1370 North Main Street, Fostoria which sends medical equipment and supplies to underserved areas of the world.

Rotary Clubs of Ottawa-Glandorf, Ada, New Bremen-New Knoxville, and Van Wert will be overnight hosts for the Tour. The MESA Bikers will provide a program at meetings of the Rotary Clubs of Lima, New Bremen-New Knoxville, Celina, Van Wert and St. Marys. Water stops will be hosted by the Rotary Clubs of North Baltimore, McComb, Wapakoneta and Delphos.

A Day Ride will be offered on Saturday, September 18, 2021 at 9 AM leaving from the Ottawa YMCA. Those riders who can only ride one day can participate in the luncheon at 50 North in Findlay and return by bicycle to Ottawa YMCA and their vehicles at the end of the day.

Riders who have not already registered must register by September 10, 2021, [click here](#).

# District Activities

## Polio Fundraiser with Three Northern Ohio Districts: 6600, 6300, 6500

Take me out to the ball game! Daniel Woodcock, Polio Plus Chair (right), along with friends Helen Davis and Diane Jeavons, smile for the camera at the Cleveland Indians' baseball game. The game, sponsored by the three districts around Cleveland (6600, 6300 and 6500) was a fundraising event for Polio eradication.

Also, DG Mary Aufdenkampe along with District 6630 raffle ticket sales lady Mrs. McKee and granddaughter Lulu, and D6630 PDG Pat Meyers smile and cheer for the Tribe at the July 22 ballgame.

## Polio Update and Fundraiser

What is your Club planning for World Polio Day?

### POLIO PLUS CHAIRMAN DANIEL WOODCOCK

Good news Rotarians! We have now gone over six months with no new reported cases of the Wild Polio Virus. With only two cases reported this year, we are closer than ever to our goal of eradicating this terrible disease. Please keep this in mind as you consider donations and involvement for this year's upcoming World Polio Day on October 24.

### Join us on Thursday, October 21 at AXE 419 for AXE OUT POLIO

Join fellow Rotarians and friends for a night of ax throwing, food/drink, fun, and help us meet our goal of eradicating polio. For more information and sponsorship opportunities, please contact District 6600 Polio Plus Chairman Daniel Woodcock at [daniel@peacocksocial.com](mailto:daniel@peacocksocial.com)

### AXE 419

# District Activities

## Findlay

### Findlay Rotary Delivers Mobile Health Clinic to Hancock Public Health

The Findlay Rotary Club provided primary support for the funding of Findlay's first mobile health clinic. The mobile health clinic will provide a broad range of preventative healthcare and mental health services to the underserved population of Hancock County as an extension of Hancock Public Health with support from ADAMHS, Welcome to a New Life, Blanchard Valley MOMS, Findlay City Schools, University of Findlay, and Hancock County Educational Service Center.

The concept of a mobile health clinic was spawned in 2018 by then Club President Carolyn Copus and Bill Ruse, former President/CEO of the Blanchard Valley Health System. The mobile health clinic's mission is to provide accessible health care services for vulnerable populations by reducing traditional barriers to access (e.g., transportation, time constraints, distrust of health care system, etc.).

The mobile health clinic has a registration/lab area, two private examination rooms with automated examination tables, a medical grade refrigerator/freezer unit, wellness check equipment (blood pressure, blood glucose, thermometers, stethoscopes, blood cholesterol, etc.), is ADA accessible, climate controlled, includes a restroom and on-board storage cabinets for clinical supplies.

Hancock County Public Health Commissioner Karim Baroudi says "the Mobile Health Clinic is a non-traditional tool, in our toolbox, specifically designed to improve accessibility and serve as a gateway to the many health, mental health and other social services available to our citizens. Really, the sky is the limit of what we can do out of the Mobile clinic to better serve the population."

## Bowling Green

**Bowling Green Rotary secured a grant to support Anne's Anchor, a new maternity house in Bowling Green that hopes to open this fall. The grant provided a crib and other baby equipment for the house.**  
#ServeToChangeLives

## Reynolds Corners

**Dr. Bledsoe (far right) and the University of Toledo SAAB E-Board members join Dave Czerniak (far left), Immediate Past President Paul Smith (second from left) at a Reynolds Corners Rotary Club meeting on July 27 along with President-Elect Anton Shirley (second from right). This was the young men's first Rotary experience, and it is Dr. Bledsoe's intention to groom them to become future Rotarians!**

## Shelby

**Rotarians and their guests at Rotary Club of Shelby's Golf Scramble on Friday, July 30.**

## Environment & Water

### From Environmental Committee Chair, Tim Ryan

Your new environment and water committee is off to a good start.

Janina Douglas and I plan to meet with as many Clubs and assistant district governors as possible this year. As for me, as Environmental Chair, the message will be in four parts:

1. Recognize that Environmental Sustainability is a new Rotary area of focus with Global Grant possibilities.
2. Encourage each Club to form an environmental sustainability committee
3. Encourage each Club to advocate and be seen to advocate for the environment

When I say **DO SOMETHING**, it can be anything that creates environmental awareness and gets the committee functioning.

Here are a few ideas:

- Reduce plastics at Rotary meals and take pressure off the landfills
- Ask an elected official to speak environmental issues
- Partner with your land trust or park to have them GPS tree saplings, identify the species and issue a frameable quality certificate with the land trust logo and a Rotary logo. The certificate would make clear that the tree was identified and located via GPS in honor of an individual accomplishment that your Club wants to recognize. These could be the birth of a child or grandchild, a Paul Harris Fellow, an outgoing Club President, whatever is appropriate. The certificate would serve to create legacy and a bond between the recipient and Rotary.

I am sure that the Clubs will come up with more and, no doubt, better ideas. The Perrysburg, St Mary's, Milan, and Toledo Clubs have already started.

**Lorena Gloden, Perrysburg Rotary President, and Tim Ryan, Environmental Chair, shake hands after Perrysburg Rotary agreed to form an Environmental Sustainability Committee.**

**Environmental Sustainability is a new Rotary area of focus with Global Grant possibilities.**

# Foundation Giving for 2020-2021!

**Keith Hodkinson, PDG, and Past Foundation Chair, Deb Cheney, PDG, report some great news!**

As you may know, District 6600 was moved to Zone 30 two years ago during a redistricting process that takes place periodically. Foundation giving drives everything we do around the world that we do with grant projects. Donations to the PolioPlus fund support our fight against this dreaded disease that still exists.

There are 14 districts in Zone 30. As the books close on 2020-2021 "The Covid Year" I am happy to announce that District 6600 came in **FIRST PLACE** in the entire zone for a combined giving increase in both the Annual Fund and Polio Plus! contributions. You helped raise a total \$156,541 to build the Annual Fund and support the work of Polio Plus!

And a total of 361 District 6600 Rotarians gave at least \$100 to the Annual Fund and \$25 to Polio Plus in the 2020-2021 to become members of the District's 125 Club!

**Do you have a great high-resolution photo of Lake Erie or other body of water near or within our district?**

**THIS MONTH'S photo is by Dr. Robert Dornauer, Rotary Club of Tiffin of the Jet Express at Sunset on the western basin of Lake Erie.**

Please send image to Sharon Trabbic, Public Image Chair, at [sharon@trabbic.com](mailto:sharon@trabbic.com). Information and articles can be sent by the first of the month to be considered for inclusion in each monthly newsletter.

To have your Club event included in the newsletter, please add it to the Calendar in DACdb, and if the timing works, we will include it as well!

## We Value Diversity

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change. We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

# Grants News

Let's begin to talk with our boards and our members about potential projects that can be funded, with the help from District Designated Funds or Global Grants. Be a Changemaker do something new as we Serve to Change Lives!

District grants may be used to fund a variety of district and Club projects and activities that are congruent with

## Rotary's 7 Areas of Focus.

Special priority will be given to those with focus on the following:

- **Empowering girls** – Encourage or support gender equality and empower women and girls.
- **Diversity, Equity, and Inclusion** – Cultivate a diverse, equitable, and inclusive culture.
- **Environmental** – Strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment.

The district match for local grants is \$1 for every \$2. For example, a project that is \$9,000 can receive \$3,000 in district grant funds plus \$6,000 in other funds. The district match for International projects is \$1 for every \$1. A project that is \$9,000 can receive \$4,500 in district grant funds and \$4,500 in other funds.

**Qualify Your Club:** Clubs must be qualified by The Rotary Foundation of Rotary International to receive district grant funds. Becoming qualified is simple. During the month of August, the District's website and DACdb will be updated to begin to accept grants. At that time, Club Presidents, President-Elects, and/or Rotary Foundation chair should:

- Read through the district qualification "memorandum of understanding" (MOU), and
- Participate in the online Grant Management Webinar sponsored by the District.

At least two Club members must participate in the online training.

Once the grant site becomes available, Clubs will have about six weeks to complete the requirements and submit the grant through DACdb.

PAM BRUMBAUGH

# Peace Conference

**Saturday, October 30**

**District Governor Mary Aufdenkampe has some courageous plans for the District 6600 Peace Conference on Saturday, October 30th, on the campus of Lorain County Community College in Elyria Ohio.**

"Creating a Sustainable Peace" is the theme of this year's conference and the focus is on solutions. We have assembled a Rock Star line-up of speakers although some are Mick Jagger's vintage, each will energize and empower Interact, Rotaract and veteran Rotarians, to not just sing about peace but to act!

The line-up includes Xavier Ramey, Chicago Rotarian and the keynote speaker on Diversity, Equity and Inclusion at the Toronto RI Convention; Civil Rights icon, the Rev. Dr. Otis Moss, Jr. a real-live peace builder and close friend of Rev. Martin Luther King; Billy Joe White, Zanesville Ohio tattoo artist who uses his skills to remove or re-style hate speech tattoos. His work is the focus of a 2018 documentary entitled, *Beneath the Ink*; Dr. Akram Boutros, President and CEO of Cleveland Metro Health and a passionate advocate for environmental health and the impact on children.

DG Mary hopes that Rotary Clubs throughout the District will become Peace Builder Clubs and identify service projects to work on in their local community in collaboration with a community partner that is different in ethnicity, race and/or economic status from traditional Rotary partners. We are certain that our speakers will inspire us with ways in which to create and sustain peace in our communities.

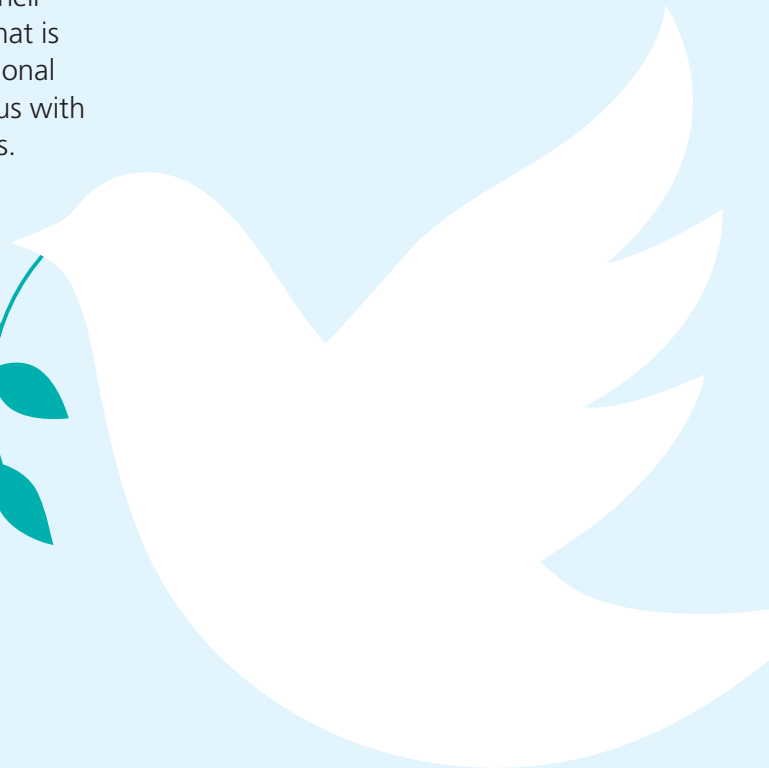

Peace Conference Chair and CEO of the Elyria/Lorain YWCA Jeanine Donaldson has added a pre-Conference event for area Interact and Rotaract members called "Courageous Conversations," in conjunction with the YWCA Anti-hate Taskforce on Friday October 29th from 6pm-8pm at the Slow Train Café in Oberlin Ohio. Saturday's keynote speaker, Xavier Ramey, will facilitate. For those not able to attend there will be a recap on Saturday.

Funds are still being sought for this year's Peace Conference. With your help this year's District 6600 Peace Conference will start us on the road less traveled. For information on sponsorship or to donate, contact Jeanine at [jpd@elyriaywca.org](mailto:jpd@elyriaywca.org).
