Thoughts from 2022-23 President Tim Eiting...

Its hard to believe that another Rotary year has passed and we are just beginning a new Rotary year! Our new Rotary International President, Jennifer Jones, has implemented into this years theme "Imagine Rotary". When you think about the "Imagine Rotary" theme it is easy to tie this year theme into our club. "Imagine" what our club has done over the years. Imagine the positive effect our club has had on our community and area. "Imagine" touching the lives of someone in a positive way that we have never met though Rotary. "Imagine" our club finding an international project to support this year. "Imagine" our club exceeding the million dollar mark next spring at the charity auction. Imagine" adding new members to grow our club. "Imagine". Finally, "Imagine" what we can do together in the future and Imagine what Rotary can do for you!
