**From the President . .**

- This week’s meeting (June 5) will be Leon Mertz. He will talk about the project to put in an adaptive kayak and boating launch at Lake Loramie. It’s a project that we are considering supporting.
- The last meeting of the month, June 26 will be an open club meeting with no guest speaker. We will present yearly awards, vote on and induct our new board members and have a special breakfast.
- A new member orientation will be held on June 21<sup>st</sup>, during our evening meeting at the NB Legion from 5:30-6:30. Everyone is invited and we would especially like all new members to be there. Dinner and drinks will be served.
- Speaking of evening meetings, we will be going down to 1 meeting per month during the summer. It seems that everyone is enjoying more outdoor activities and vacationing so we will plan for the 3<sup>rd</sup> Thursday of the month for June, July, August and maybe September.....we’ll see how it goes.
- We have a small project planned to support the local YMCA by cleaning out the creek on the north side of their property. Look for the date (mid-June) in the next few days and be prepared to volunteer. We’ll need some volunteers with chain saws and pruning loppers to cut down small saplings and others to help pull them out to a truck or trailer. It should only take a couple of hours.
- Thank you Bernie Schroer for continuing to monitor the Route 66 tunnel and for doing some touch up painting last week. Your example is an inspiration to me personally and really shows how “service above self” can make a difference for many.

Thanks, Steve
