June 2019 Newsletter

Upcoming Events...

June 1-5	Rotary International Convention
June 22	District Assembly – Location TBD
June 25	Installation of New Officers

From the President...

May was a busy month with many wonderful speakers that shared information about our local businesses and resources:

- We learned that the Bicycle Museum of America has a historical display of Neil Armstrong artifacts for the 50th Anniversary of the Moon Landing Celebration. The Exploring Program is a work-based career education program businesses can participate in--An affiliate of the Boys Scouts of America. The local McDonald's owner explained how their franchise was started and the history behind the Golden Arches. We also learned about resources available locally for Robotic Surgeries.
- A new member orientation was held May 16th at 17 West during our evening meeting.
- We inducted another new member as well as recognized a member for their Paul Harris Plus 1.
- A group went to Dayton to assist the tornado victims lending a hand with clean-up.
- The board approved donations to the following organizations and projects: Lock One Community Arts, Costa Rica – Cataract Surgeries, Cardinal Campaign, Auglaize County Library – New Knoxville Library Renovation, Art Camp and our last bullet fund collection went to Community Backpack+ Program.

I would like to thank everyone that has volunteered their time as Sargent-at-Arms during my presidency. Some have performed this duty before and for some it was a new adventure. It's been wonderful experience being president this past year and I can't thank everyone enough for allowing me to represent the New Bremen New Knoxville Rotary Club. Happy 30th Anniversary to our club!

-Lesia Arnett
