

OCTOBER 2022

ROTARY NEWS

NEW BREMEN NEW KNOXVILLE ROTARY CLUB

Service
Above Self

Thoughts from Tim...

Autumn is in the air! Hard to believe we are in October already. It will be a busy fall for our club. Last week our District Governor, Diana Savage, was with our club. Diana greatly enjoyed being with all of us and spending the afternoon and evening in New Bremen. She was impressed with the tremendous involvement our club has by all of the members, the new Interact Club, working with other area clubs on a joint meeting and our MESA support. She was aware of the application we submitted for the District Grant for the Pediatric Rehab facility. We are a very unique club in today's busy world. I am proud of each and everyone's support and efforts in this Rotary Year!

Don't forget the Five Club Meeting will be held Thursday November 10th from 5:30 to 8:30 at MVP Dairy. Each club will get twenty eight members/guest to bring so be sure to sign up for this unique opportunity to meet other Rotarians from St. Marys, two Celina Clubs and Van Wert. Tours of the facility, view from the picture window view of the seventy-two cow carousel milking parlor in action, evening lunch, liquid refreshments and Dannon Yogurt!

WORLD POLIO DAY - OCTOBER 24

On World Polio Day, October 24, Rotary and its partners will recognize the progress we've made against polio. Rotary members are encouraged to watch new World Polio Day 2022 videos on endpolio.org, and Rotary's social media to learn where the Global Polio Eradication Initiative stands in our fight against this disease. For World Polio Day, we're asking members to continue raising awareness of the importance of polio eradication and Rotary's critical role in this effort, to plan events and club fundraisers and/or educational events. We are asking Rotarians to donate \$25 on the 24th in support of this cause at endpolio.org.

Rotary District 6600 will be releasing a Polio specific Public Image packet, which will include:

- Ideas on club events and activities
- Fundraising opportunities
- Educational press release for community members
- Facts that can be shared with members and community through social media
