*From the Rotary President ...*

Thank you everyone for volunteering at the Bremenfest French Fry stand. This community service project generates about \$3000 per year profit for the Bremenfest and the club doesn't get anything in return for doing this, so it's a great example of how our time and talents (not just our checkbooks) can benefit the community. Thank you all again.

Our District Governor Deb Cheney was very impressed with the club and all that we are doing. We showed her several of our projects like Rotary Centennial Park, the YMCA gym, the Sunshine Park, and the nicely painted tunnel. Thank you all for making her feel welcome.

One of the late goals of Rotary is for every member to plant a tree this year. It could be for yourself at home or as a group in a park. Please keep that in mind and let me know when you do so I can track our club progress. In addition, don't forget about EREY, that's Rotary's acronym for Every Rotarian Every Year, a reminder to donate to the Rotary International Foundation. This is the basis for most of the humanitarian work done around the world so please go online to Rotary.org and give or have Keith help you with the donation.

Major project updates:

1. Work is underway to get the Interact club kicked off at NBHS. I think the plan is to make it a community based club so that kids from other towns can join if they want to. Stay tuned for progress as we support our kids and their desire to serve as young Rotarians!
2. Increasing membership is a big goal for the club. We will have our membership drive kickoff meeting on September 26<sup>th</sup>. John Hill, the district membership chair will be with us to explain and help kick off our membership contest. Details will be coming soon!

September birthdays are Mark Cisco on the 7<sup>th</sup>, Rex Katterheinrich on the 12<sup>th</sup>, Mike Skinner on the 14<sup>th</sup>; James Luedeke on the 15<sup>th</sup>, Rob Kuenning on the 22<sup>nd</sup>, Sandy Thieman on the 29<sup>th</sup> and Anna Rammel on the 30<sup>th</sup>.
