## Beware... The Ides of March

March 15

*Et tu, Brute?*

Keep your friends close, but your enemies closer!

Julius Caesar's assassination aside, the Ides of March has also marked the date of other major events in history, including Christopher Columbus' return to Spain after his first journey to the New World (1493), Woodrow Wilson holding the first US presidential press conference (1913), and the abdication of Tsar Nicholas II of Russia (1917).
