ROTARY

CONGRATULATIONS ROTARIANS –

This week Rotary International President Holger and Rotary Foundation Chair K. R. Ravindran announced that the African region has been certified free of the wild poliovirus. This has been a decades long effort across 47 countries of the African region and would not have been possible without the efforts of Rotarians around the world and our partners to create a polio free world.

Rotarians in District 7390 have been committed over the past 30 years to raising funds to immunize children worldwide and our efforts are paying off. You should be proud of the difference that Rotary has made in the lives of millions of children by eliminating this dreadful disease.

I want to thank you for your past efforts and ask that you recommit to helping us raise funds to finish Rotary's number one initiative of eradicating polio. Rotary is still committed to raising \$50 million a year for this effort.

As such, we are launching the **District 7390 Polio Plus Society** and are inviting you to join our efforts to continue to raise funds to eradicate polio. To become a member of the District 7390 Polio Plus Society, you are asked to commit to making an annual donation of \$100 or more to The Rotary Foundation's Polio Plus Fund until the last two countries, Afghanistan and Pakistan, are certified free of the wild polio virus.

We hope that with your commitment in joining the District 7390 Polio Plus Society; we will make a significant increase in our contributions to the eradication of polio.

A PolioPlus Society membership form can be found on the District website. Please complete the membership form and send it to District Office. Donations may be made online at www.rotary.org/donate and select the Polio Plus Fund or through your Rotary Club. If you make the donation online, you can set it up as a recurring donation.
