A message from the Service Project Committee (Jeff Clark – Chair): We evaluated the service projects that we do as a Club and seek membership feedback on the projects we do presently and could do in the future. As with most things during this difficult time, our service projects have seen depressed turnout, even though the things we do may be more important than ever. Recently, we helped the Wittel Farm Growing Project harvest fresh vegetables, which go to local community cupboards. We have also twice volunteered at the Central Pa Food Bank over the past few months to pack crisis response boxes which provide food for the neediest among us.

We have a number of service projects that we do around the same time every year, with the hope that they can become a routine part of what our Club does for our community.

- Late February - Founding Day - We help Community Place on Washington and other Elizabethtown charitable institutions in whatever they happen to need. The more that sign up to help, the more places we can service!
- April - Earth Day - clean up Borough Park, Wolgemuth Park, alleys of Elizabethtown, and streets of nearby townships - Rt 743 roadside clean-up (twice a year – Spring & Fall)
- August - Wittel Farm Growing Project -harvest fresh produce that goes to local community cupboards
- September - Day of Caring - help Community Place on Washington, Hope Within, Cornerstone, Elizabethtown Child Care Center, and others.
- October - tree planting along the Conoy Creek Watershed.
- Various - 3-4 times per year we volunteer at the Central PA Food Bank

Our next service project event is the Central Pa Food Bank on December 9th from 5 - 7.

To register for any of these events, go to: <https://elizabethtownrotary.org/events/calendar>.

You will get reminders and important updates about the event when you register online.

Please give us your feedback! (Respond to Jeff Clark [Fri] or any Board member).

1. Do you like the projects we do and what do you like about them?
2. If not, what don't you like about them?
3. Do you have suggestions about what we should be doing?
4. If you have a particular project in mind, are you willing to take the reins for that project and get it going for the Club?
