Election: TODAY & Mon, Dec 7,
“...a date which will live in infamy.”

Please be assured that our Board of Elections has certified that there will be no lost or misplaced mail-in ballots; the results will be certified and registered on Election Day without delay, and any dispute brought before the Court will be summarily dismissed as an exercise in futility.

You can find comfort in the fact that it has been proven year-after-year, beyond a shadow of a doubt, that there is absolutely no voter fraud during E-town Rotary Club's Board elections!

'tis the season... for the ever-popular... Christmas trivia !

In 1647, the English parliament passed a law that made Christmas illegal. Festivities were banned by Puritan leader, Oliver Cromwell, who considered feasting and revelry, on what was supposed to be a holy day, to be immoral. The ban was lifted only when the Puritans lost power in 1660.

(But that didn't change Puritan thinking in New England. – Stay tuned for next week's Trivia!)

Alabama was the first state to recognize Christmas as an official holiday in 1836.

In the Thomas Nast cartoon that first depicted Santa Claus with a sleigh and reindeer, he was delivering Christmas gifts to soldiers fighting in the U.S. Civil War.

The cartoon entitled "Santa Claus in Camp," appeared in *Harper's Weekly* on January 3, 1863.

In an effort to solicit cash to pay for a charity Christmas dinner in 1891, a large crabpot was set down on a San Francisco street, becoming the first Salvation Army collection kettle.

The first Christmas card was created in England on December 9, 1842.

Hallmark introduced its first Christmas cards in 1915, five years after the founding of the company.

Frustrated at the lack of interest in his new toy invention, Charles Pajeau hired several midgets, dressed them in elf costumes, and had them play with "Tinker Toys" in a display window at a Chicago department store during the Christmas season in 1914. This publicity stunt made the construction toy an instant hit.

A year later, over a million sets of Tinker Toys had been sold.

In 1937, the first postage stamp to commemorate Christmas was issued in Austria.

During World War 2 it was necessary for Americans to mail Christmas gifts early for the troops in Europe to receive them in time. Merchants joined in the effort to remind the public to shop and mail early, thus the protracted shopping season was born.

In 1947, Toys for Tots started making the holidays a little happier for children by organizing its first Christmas toy drive for needy youngsters.
