ROTARY INTERNATIONAL NEWS

Doing Good In The World

This is the motto of The Rotary Foundation, the foundation of all Rotarians.

Many Rotarians really don't take advantage of the many opportunities that Rotary provides. Our own members, Jim and Carol Nelson are a perfect example of including Rotary outside of the club. Read what they have to say.

Want to help less fortunate around the world, give to the Rotary Foundation and participate in Rotary mission projects. Jim and Carol met and got to know Ken Wolfe, Joe Rebman, and Ralph Dietrich on Rotary missions outside of the USA.

What do you want from Rotary?

Travel the World? Advance your people skills? Give Back to the Community? Help less fortunate succeed?

You might visit other local Rotary Clubs or if you are traveling, your Rotary Pin is your gateway to a visit (call ahead to be sure of time and place), London England, a small town in Western Kansas, or a small town in the mountains of Guatemala.

Want to improve your people skills, volunteer to be committee member Or a Club Officer. Or serve on a Club or District Committee.

You can give back to your community by regularly helping with local service projects. Or helping to organize and serve on larger District and Area Rotary Projects. You can give donations to the Rotary Foundation, which provides funds back to the Districts for Local and wider service project funding. Once you become a Paul Harris fellow, your future donation credits can be used to fund an honorary Paul Harris Fellow to recognize another Rotarian or Community Member for their outstanding service to the Community. Or your credits can help others become first time Paul Harris Fellows.

Help end a disease with Rotary. Give to the Polio Plus campaign of Rotary! Or be a leader of a Group Study Exchange team to India and put Polio Vaccine drops in a baby's mouth.

**Jim and Carol Nelson have done all of the above things and more.
It's been great!**
