You have probably noticed that the SPOKE has a new look. The Editor has received strong feedback to include more information about Rotary's work on the International and District levels and to make it more reader friendly by removing the boxes, provide more white space and increase the font size. In order to accommodate these changes, the Editor was asked to remove the various listings of members' names and positions held within the club.

**The 4-Way Test** – of the things we think, say, and do...

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?
