Steve Glick - Monday meeting Vice-Chair
Mark Bruce - Member-At-Large

COVID has brought many changes and challenges, however, many opportunities have been discovered as a result. One of those opportunities was using Zoom for virtual meetings and the ability to have speakers from long distance. It has also allowed Rotarians to join a meeting when they were out of the area.

Another opportunity was going strictly digital with the SPOKE. **PLEASE check out page 3 of this SPOKE.**

Correction: MEMBER SPOTLIGHT: Sandra Bruce grew up in Elizabethton, TN not Elizabethtown, PA.

ROTARY INTERNATIONAL NEWS

Diversity, Equity, and Inclusion

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

A top priority for Rotary is growing and diversifying our membership to make sure we reflect the communities we serve. We're creating an organization that is more open and inclusive, fair to all, builds goodwill, and benefits our communities. We want people with differing perspectives and ideas who will help Rotary take action to create lasting change in communities around the world. Through Rotary, you'll find unique opportunities to get involved. Everyone is welcome in Rotary.

How can we as a club do better with Diversity, Equity, and Inclusion?

Enhance participant engagement

We want our members and participants to find long-term value in their relationship with Rotary.

ROTARY CLUB OF YELLOW SPRING

The Yellow Springs Rotary Club is excited to take part in its first service project!

Have you set aside items for the Little Free Pantry but not had time to drop them off? Do you have a few extra things lying around at home that could be taken off your hands for a good cause?

Let us know! On (insert date here) we will be doing a Little Free Pantry pickup. Just contact Kraig at 513-238-5241, let us know your address and leave your items on your porch! We will pick items up and deliver them to the pantry for you.

Please no perishable or expired items. However, you're not limited to food—other household necessities (soap, paper towels, toilet paper, feminine products, etc.) can also be helpful!

If you have any questions or concerns about this project, or are interested in joining the YS Rotary Club, contact the club at info@ysorotary.org

Thanks for checking out the Rotary Club of Yellow Springs. We're in the process of forming a new service club in Yellow Springs that will be one of more than 35,000 clubs worldwide with 1.2 million members. We're beginning as a satellite club of the [Rotary Club of Fairborn](#), but we plan to get our own club charter once we're big enough to stand on our own.

Sound familiar?

We plan to meet in a brewery once COVID-19 is under control. For now, we're meeting via Zoom and in person in a barn at Peifer Orchards where there's enough space that social distancing can be done effectively. We meet on alternate Tuesdays, gathering at 5:30 p.m. for informal conversation and fellowship with the meeting starting at 6 p.m. and ending no later than 7. Contact us for meeting dates and information on attending by emailing

info@ysorotary.org and danrobrish@gmail.com.
