For sponsoring a new member this Rotary Year!

A Message from our President, Jeff Clark

As we come to mid-Summer, vacations are in full swing. Only eleven days into my term and I'm leaving for Toronto and then Ann Arbor, Michigan, for mostly youth hockey related camps and tournaments and, hopefully, some fun and relaxation for myself.

We had our first Board meeting of the '23-'24 year, and I'm excited for things to come. All are welcome – they are the 2nd Tuesday of every month at 6:30 at the Chamber of Commerce Office.

Please sign yourself up at myrotary.org. If for nothing else, it allows you to make and track your donations to the Rotary Foundation. But, beyond that, it has a great deal of resources and information about Rotary. You are also helping our Club by freeing up administrative and accounting time. Currently, less than 50% of our members are signed up. It should take mere minutes to do. As an incentive, Glen Bootay has committed to hosting a party when our Club hits 95%!

Did you hear about the cartoonist found dead at his home?
Details are sketchy.

Go to a Phillies game and Strike Out Hunger

Rotary Strike Out Hunger is Back - Raising Money for Polio Plus

The Phillies and Rotary to Celebrate the 36th Anniversary of Strike-Out Hunger

Strike-Out Hunger is an annual event now involving over 200 Rotary Clubs in six Rotary Districts from PA, NJ, DE and MD. The 36th Annual Game will be held on August 8, 2023 at 6:40 pm, at Citizens Bank Park as the Philadelphia Phillies play the Washington Nationals. The money raised from this event will go for the inoculation of children against Polio and other childhood diseases. Strike-Out Hunger began 39 years ago as a vision of Dr. Jacob Neufeld, a 23-year-old Rotarian from Mount Laurel. At the time, Polio struck 1,000 children worldwide every day (365 days X 1,000= 365,000 children a year). Because of Rotary, less than 100 children were stricken with Polio last year. With your support by next year, the world could be Polio free.

After Strike-Out Hunger's initial success, it was adopted as an annual event by Neil Garber, the Rotary District Governor of South Jersey. He continued as the Regional Director for the next 20 years, collecting many thousands of pounds of food and raising over \$500,000 for Polio eradication. After Neil's sudden death, his assistant, Marvin Axler from the Garden State Rotary Club of Cherry Hill stepped up. He expanded the event to what it is today.

In 2007, the Bill & Melinda Gates Foundation entered the fight against Polio with a \$100 million matching grant. Rotarians exceeded the challenge and the Gates Foundation continued increasing the matching grant, reaching \$355 million by June 30, 2012. Rotary is now in its final push to end Polio. By 2016, Strike-Out Hunger had raised over \$1 Million. That translates to the inoculation of around 1.5 million children that have been spared the possibility of death or a crippled life.

This year, the Phillies will donate approx.50% of the ticket price for every one sold by Rotarians. The Gates Foundation will, also match the money raised for the fight against Polio. For Ticket information, Call or Email Marvin Axler (856) 665-6555 marvin@cmi-direct.com .

Your club will earn community service credit by participating. Using the district/club code when ordering will ensure that your club gets the credit for the funds raised by your ticket sales. Those funds will be deposited into the foundation and your club decides how those funds are spent (hopefully towards Polio+) but can be set aside for your club's use. We would be happy to have a knowledgeable representative come to your meeting to explain this and answer questions. Just let us know.

- Sally McKittrick

2023-2024 Goals

I have a few things I would like to accomplish over the next year and hope that you can help me.

Goal 1 – 4 unique service projects. Please contact me, Debbie Dupler, or Kristin Brubaker if there are new ways to serve the needs of our community.

Goal 2 – start service project breakfast meeting. This will be a forum to bring ideas for service projects, organize, and implement. If you joined our Club to serve, this meeting will be for you.

Goal 3 - 90% engagement beyond meetings and payment of dues. Volunteer for a service project or a fundraiser, donate money to a fundraiser, or attend a family of rotary or other social event.

Goal 4 – increase membership by 5 net members. This will not only exceed the goal set by the District, but could make us one of the largest clubs in the District.

Goal 5 – revitalize membership committee. We need your talents – help us show our community what we do, reach out to new areas and new people, organize fun activities, help integrate new members.

GEARS Summer Playground Thank you!

Good Afternoon!

Thank you so much for sponsoring the GEARS Summer Playground program! We are halfway through the summer and I wanted to update you on our program. We have over 275 kids involved in our Summer Playground this year. As a result of your support, kids who could not afford to attend the program are able to go this summer. The kids have been busy enjoying crafts, water days and active games all due to your donation. Please see the pictures below of some of those activities. Thanks again for your support of this program!
Have a great day
