A Message from our President, Jeff Clark

On November 4th, there will be District Foundation Dinner Party at the Hershey Lodge. This is a great opportunity to learn more about the Rotary Foundation and see the good that we, as members, do in the world. I was afraid that I would not be able to attend, but due a schedule change, I'm happy to say I will be able to make it. There will be some special recognition of your Elizabethtown Club, so I hope many of you will be there with me. Sign up here: <https://rotary7390.org/event/annual-rotary-foundation-dinner-1/>

Oh, and as a fantasy football league update, my Fightin' Habs beat Past President Glen's team handily last week.

CREATE HOPE
in the WORLD

2023-2024 Goals

I have a few things I would like to accomplish over the next year and hope that you can help me.

Goal 1 – 4 unique service projects. Please contact me, Debbie Dupler, or Kristin Brubaker if there are new ways to serve the needs of our community.

Goal 2 – start service project breakfast meeting. This will be a forum to bring ideas for service projects, organize, and implement. If you joined our Club to serve, this meeting will be for you.

Goal 3 - 90% engagement beyond meetings and payment of dues. Volunteer for a service project or a fundraiser, donate money to a fundraiser, or attend a family of rotary or other social event.

Goal 4 – increase membership by 5 net members. This will not only exceed the goal set by the District, but could make us one of the largest clubs in the District.

Goal 5 – revitalize membership committee. We need your talents – help us show our community what we do, reach out to new areas and new people, organize fun activities, help integrate new members.

CREATE HOPE
in the **WORLD**

**Rotary is so
much more!
Than club
meetings**

Did you KNOW???

Rotary International and UNICEF work together as leading partners of the Global Polio Eradication Initiative to protect every child against polio.

Polio

In 1985, Rotary launched its PolioPlus programme, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary has contributed more than \$2 billion and countless volunteer hours to immunize more than 3 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in donor governments' decisions to contribute more than \$10 billion to the effort. Within the Global Polio Eradication Initiative (GPEI), Rotary's focus is on advocacy, fundraising, volunteer recruitment and awareness building.

Polio today

Today, only two countries have not stopped the transmission of the wild poliovirus: Afghanistan and Pakistan. Six wild polio cases were confirmed worldwide in 2021, which is a reduction of more than 99 percent since the 1980s, when the world saw approximately 1,000 children paralysed by polio every day. The world has never been so close to eradication, which is why Rotary's continued commitment and focus on polio eradication remains critical.

Rotary in Action

More than 1 million Rotary members have donated their time and personal resources to end polio. Every year, hundreds of Rotary members work side by side with health workers to vaccinate children in polio-affected countries. Rotary members work with UNICEF and other partners to prepare and distribute mass communication tools to reach people in areas isolated by conflict, geography or poverty. Rotary members also recruit fellow volunteers, assist with transporting the vaccine, and provide other logistical support.

Challenges

Stopping the wild poliovirus from spreading and paralysing children in the last remaining pockets of Afghanistan and Pakistan is proving to be the most difficult yet, due to factors including discrepancies in the quality of vaccination campaigns, massive mobile populations, conflict, insecurity and, in some instances, parental refusals due to vaccine misinformation. Until polio is eradicated, all countries remain at risk of outbreaks.

Ensuring success

Rotary raises over \$50 million per year, with every dollar matched with two dollars from the Bill & Melinda Gates Foundation. These funds help to provide much-needed operational support, medical personnel and laboratory equipment, and support the crucial work of engaging community leaders and parents to build trust in vaccines. Governments, corporations and private individuals all play a crucial role in funding.

"In the days before Jonas Salk's revolutionary polio vaccine, there was a real fear for families that their children would contract the disease. Realizing the great potential of this vaccine, Rotary helped rally the world around total eradication in 1988, with the creation of the Global Polio Eradication Initiative." – Henrietta Fore, Former Executive Director of UNICEF.

Be part of our club's efforts

Join us for Pints for Polio

Friday October 27 5pm to 9pm

DID YOU KNOW?

In 1985, Rotary launched its polio plus programme as the first initiative to tackle global polio eradication.

Rotary has contributed more than 2 Billion USD and immunize more than 3 Billion Children in 122 countries.

PRESENTED BY PUBLIC IMAGE TEAM

The 3rd Annual Ride to Eradicate Polio will be held on the York County Rail Trail October 22

Riders will need to meet in downtown York at the Lafayette Plaza at W. Philadelphia St. and Pershing St. at 2:00 p.m.

Plan to ride to the Howard Tunnel (6 mi.) and back or riders who wish to can ride the entire 22 mile York Rail Trail to New Freedom Railroad station. If you choose to ride the entire 22 miles, you can be transported back to York City by Rotarians.

The cost to participate in the ride is \$50. Your \$50 donation will go directly to The Rotary Foundation under your name. All registered participants get a Ride to Eradicate Polio t-shirt!

There couldn't be a better time for this fundraiser. The first case of polio in the United States in nearly a decade was detected in New York in 2022. Your donation helps Rotary, and its partners, reach every child with the polio vaccine. Thanks to the Bill & Melinda Gates Foundation, your contribution will be tripled, getting us even closer to a polio-free world.

Visit www.endpolionow.org and learn more about what Rotary is doing to eradicate polio worldwide.

Thank you for your support!
