## A Message from our president, Glen Bootay

### “ The Bootay Way”

**IMAGINE  
ROTARY**

Thank you to all the volunteers that came out to help with the Earth Day event. This year's event was so much better than last year. We had more vendors and more volunteers. The weather cut the event short but only by one hour. We will keep trying to make this event something our club can be proud of each year. Todd and Kelsey Grove along with our Rotary committee really stepped it up this year.

I hope everyone has been to the SPOT Hometown Deli to see Kristen and Ed Cunningham dipping their toes into owning their own business. Please support them by stopping by and ordering some delicious soup and a deli sandwich.

Have a great productive week and remember to spend time with family and friends.

### **FUN FOR YOUNG AND OLD**

**Old FARTS Spring Bike Ride and Brewery Visit - Saturday May 20, 2023**

**President Glen asked me to organize another bike ride for this spring with a brewery visit.**

Paul Wolgemuth shared this idea... "After reading the article "Pedaling toward prosperity" in the February issue of Rotary, I thought it might be good to connect some actual service to the Old-FARTS name. One thought I had was to suggest that anyone participating in a ride contribute \$10(or more) which would go to World Bicycle Relief. One step further would suggest that every rider get another Rotarian to match their contribution of \$10. From the article I see that \$170 would buy a sturdy bike. Hopefully we could buy a bike." So here we go! ....

We will leave Etown May 20 around 8:30 am and travel to the Ironton Rail Trail. (north of Allentown) (<https://www.irontonrailtrail.org/>). The IRT is a mostly paved, easy 13 mile ride. Following our trail ride we'll head to Retriever Brewing Company in Orefield for a late lunch. (<https://www.retrieverbrewco.com/>). The service aspect of our ride will be to collect voluntary donations for World Bicycle Relief to purchase a bicycle.

Family and friends are welcome. Please share with other club members who may be interested.

If you are interested, please [REGISTER](#) so you are on the list for updates. Signing up is not an obligation to go, it just lets me know to keep you updated concerning meeting location, weather postponement, etc.

PROUD

[www.rotary.org](https://www.rotary.org)

**Why did you join Rotary?** - I joined to be a part of the community and the service aspect of Rotary. Also I was asked to join by Harold Martin. When I was asked, I wanted to join, but I thought my Father, J Martin Engle should join first, and he did in 1965. I joined a year later on June 6, 1966. (6/6/66)

**Why have you stayed?** – The service aspect is important to me. I did have a streak of perfect attendance for over 25 years, but finally decided that it was OK to miss a meeting.

**What is your favorite aspect of Rotary?** - The Four Way Test and service. The International strength of Rotary is very impressive as well. So many good qualities of Rotary.

**What was your job when you joined Rotary?** I was a Sales Rep for the J.M.

Engle Co. selling Cash Registers, Typewriters and Adding Machines and in charge of hiring.

**Share some positive changes you have seen in Rotary** – The biggest positive change was allowing female members.

**Name one of your favorite Club Presidents and why?** – Very hard to have just one. So many Presidents brought so many good qualities to share with the club. I can't name just one, and I can't name one that I didn't like.

**Tell us about the most unforgettable person you've met in Rotary.** – Oh my! There were so many unforgettable Rotarians.

**What makes you proud of our Rotary Club?** – I really like the idea of the alternative meeting. It has allowed us to grow and reach out to more community minded Rotarians who wouldn't otherwise be able to join our Club. I'm also proud of all the service work that we do.

**What is the best program you've ever seen?** I always remember Tony Campollo speaking to our club during my installation. He is such a good speaker and has such a good message. I believe that after he spoke to our club he was heading down to Haiti for the first time and has been influential ever since in that country. I also loved visiting Rotary Clubs in other countries. I've been to meetings in Japan, Aruba, Germany and Switzerland. In Japan, they locked the door when the meeting started. If you were late, you were out of luck.
