A Message from our president, Glen Bootay

“ The Bootay Way”

**IMAGINE
ROTARY**

There is NO MEETING THIS FRIDAY because of our Golf outing today. Another busy Rotary week. The International Convention in Australia started. We had 12 volunteers assisting with traffic safety for the Memorial Day Parade. Our 29th Annual Golf Outing is June 1st at Conestoga Country Club. Also, our own Scott Little is doing the Eye Drop 2023 for the 3rd time. Please sign up to support his 10 story drop from the Holiday Inn on Chestnut Street in Lancaster. Schools are almost done so be careful driving as more children are out and about. Enjoy the start of SUMMER.

Have a great productive week and remember to spend time with family and friends.

Rotary Speakers

As you have read from many long-term Rotarians, they really enjoy hearing from the high quality speakers.

We are very fortunate to have had many very good programs at both the Monday and Friday meetings. Starting July 1st, Denise Grove is responsible for Friday speakers and Lori Funck is responsible for Monday speakers. They both are asking you to give them ideas for programs that you would like to hear. If you know an individual that you think would make an interesting speaker, please let them know. They both appreciate your help and support.

WHAT DOES THE ROTARY WHEEL MEAN?

Brick & Mortar or Virtual: What is the Answer?

District 7410 PDG Karen DeMatteo started the E Club of International Innovators in 2021. They were chartered with 80% of the members being Rotary Alumni from Interact, Rotaract, Youth Exchange and RYLA and all but 1 member under the age of 30.

The flexibility of meeting on zoom fits in well with this group of young Rotarians.

They meet online, but that doesn't mean they haven't been of service to their local communities. This is how they do it:

- They created cards for the NICU at a local PA hospital which were then hand delivered by a PA member.
- They adopted a family during the holidays which required members to send gifts to one

of their club members local to that organization; the member wrapped and delivered the gifts.

- Members filled "boxes" with small items for another organization in GA near one of their members, who then received and delivered them.

- Recently they took part in the "Compassion Project" where members were given cards that say "You Matter" to leave around their communities with a QR code for the club website.

- Some members have connected with local brick and mortar clubs to take part in roadside clean up and other service projects.

to leave around their communities with a QR code for the club website.

- Some members have connected with local brick and mortar clubs to take part in roadside clean up and other service projects.
- They've also done several fundraisers: giving donations to "The Shoe that Grows", "Doggie Paddle" which is for support dogs for VETS and most recently for "ShelterBox."

For the E Club of International Innovators, virtual is the answer with a bit of brick and mortar thrown in.

January 2023 and Report to the Community

HOME DELIVERY: AN INNOVATIVE APPROACH TO SENIOR FOOD SECURITY

Every day, thousands of central Pennsylvania seniors face hunger. While the Central Pennsylvania Food Bank has always had programs to address senior hunger, many still faced barriers to accessing the food provided by the Food Bank and their local food pantry. Prior to 2020, the Food Bank recognized this need and began researching home delivery options. Then COVID-19 hit, and home delivery became a necessity and expedited our home delivery implementation. During the height of the pandemic, many of our staff members made home deliveries to seniors in need, ensuring they received the fresh, nutritious food to maintain healthy lives.

Throughout 2020 and into 2021, we began looking for ways to make home delivery a sustainable option. How could we ensure our seniors in need could receive their food boxes each month by removing barriers they may face, primarily transportation to and from food distributions at their local pantry?

Enter DoorDash and their Project DASH program. Project DASH, in partnership with Feeding America, is part of DoorDash's commitment to equity. It's a push to provide home delivered meals to people who need food assistance. This program is currently available in areas where DoorDash has "dashers."

the people who use their personal vehicles to pick up take-out meals from restaurants and deliver them to customers. In the communities where this important partnership is available, the Food Bank is delivering pre-packed boxes of groceries directly to **more than 950 seniors** every month.

The Central Pennsylvania Food Bank also collaborates with other organizations to facilitate home delivery:

- 🍎 **The Mifflin-Juniata Area Agency on Aging** → 100 boxes/month
- 🍎 **Perry County Area Agency on Aging** → 10 boxes/month
- 🍎 **Harrisburg Labor Council** → 100 boxes/month
- 🍎 **Lancaster Meals on Wheels** → 50 boxes/month
- 🍎 **Blair County Partners** → 85 boxes/month
- 🍎 **Child Hunger Outreach partners (CHOP)** → 22 boxes/month
- 🚚 **And church groups in Adams and Union counties are currently making deliveries.**

Together, more than **1,350 seniors** every month in 13 counties get the food

Through our partnership with DoorDash, we are making home deliveries each month to more than 950 seniors in six counties.
